COMPLAINT

JURY DEMAND ENDORSED HERON

THE PARTIES

1. Plaintiff Jessica Esparza (“Jessica”) is a U.S. citizen and resides in Westlake, Ohio.
2. Plaintiff A Metal Source, LLC (“Source”) f/k/a All Metal Source, LLC (“Source”) is an Ohio limited liability company with its principal place of business in Westlake, Ohio.
3. Defendant All Metal Sales, Inc. (“AMS”) is an Ohio corporation with its principal place of business at 29260 Clemens Road, Suite #3, Westlake, Ohio 44145, located in Cuyahoga County, Ohio.
4. Defendant Thomas Gerald Klocker (“Junior”) is a U.S. citizen and resides at 908 Beach Road, Rocky River, Ohio 44107, located in Cuyahoga County, Ohio. Upon information and belief, Defendant is the sole shareholder and President of Defendant All Metal Sales, Inc.

JURISDICTION AND VENUE

1. This Court has jurisdiction over this matter, and venue is proper, pursuant to Civ.R.3.

RELEVANT FACTS

2. Plaintiff’s President, Jessica Esparza (“Jessica”), and the Defendant, her step-brother, Thomas Gerald Klocker (“Junior”), both learned the business of sourcing all types, shapes and forms of metal products while working at Midwest Metals, Inc., (“Midwest Metals”) from their father, Thomas Paul Klocker (“Senior”). The line of business entails the purchasing of metals and selling or distribution of them to its customers in a vast range of industries such as the aerospace, construction, electrical, industrial, machinery and equipment, marine, medical, military, satellite and space systems, telecommunications, tool and dies and much more.

3. The metal products sold are from a variety of metal grades and alloys such as aluminum, brass, copper, Haynes, Hastelloy, Incoloy, Inconel, magnesium, Monel, niobium, stainless steel, titanium, tool steel, tantalum, tungsten and zirconium.

4. The metal products sold come in different sizes and shapes such as bars, bolts, coil, fittings, flanges, pipe, plates, rings, screws, sheets, structurals, tubes, wire and custom made geometries per order.

5. While Junior was still working as an employee of his father's business in 1999, he had been diverting sales from Midwest Metals to All Metal Sales, Inc., his own metal distributing company. See attached Defendant's articles of incorporation with the State of Ohio on **Exhibit A**.

6. Jessica completed her bachelor's degree and intermittently worked as an employee of the company run by Senior, Midwest Metals. In 2004, Jessica then become a full time employee up until June 2009.

7. In June 2009, Jessica stopped going to work at Midwest Metals because she had not received a paycheck for many weeks. When it became apparent that she would never get paid for those unpaid weeks in April and May 2009, Jessica filed for unemployment and started looking for work. Her job search was unsuccessful, so she decided to concentrate on what she knew best and formed her own metal distribution company. She registered Plaintiff with the Ohio Secretary of State as All Metal Source, LLC on November 11, 2009. See attached Plaintiff's articles of incorporation with the State of Ohio on **Exhibit B**.

8. Jessica had registered two other metal businesses years earlier when the thought of having her own business had crossed her mind. The first company was registered in February 2003 as Monarch-E-Metals and the other in May 2003 as Unlimited Metals, Inc. Jessica never did any business under either one of these businesses because as she prepared to have her own

separate business venture, Senior would always ask her to keep working for him at Midwest Metals; to which she did continue working for.

9. Plaintiff Source was formed to be a metal distributor and service center of metals and alloys.

10. Plaintiff Source specializes in supplying small and large industrial and government end-users with a wide variety of all metals.

11. Jessica knew from her experience in this field that many metal distributorships include the phrase “all metal” in their business name.

12. A business directory called the “ThomasNet,” formerly known as the Thomas Register, is one of the advertising methods Source used in order to promote Plaintiff’s company. Founded in 1898 the Thomas Register is a widely-used buying guide that reports names and descriptions of businesses that offer particular good and services. Many engineers and industrial buyers throughout the United States use the ThomasNet to find vendors of goods or services. Many business owners throughout the United States use the ThomasNet to promote their company to the many engineers and industrial buyers in search of those goods or services.

13. The ThomasNet shows multiple metal distributors and service providers with the phrase “all metal” in their name. See attached search results of 51 companies with “All Metal” in their name on **Exhibit C**.

14. The ThomasNet is where Jessica’s, Junior’s and Senior’s business all advertise in.

15. The Ohio Secretary of States’ website includes registrations for All Metals, Inc., All Metal Recycling, Inc. and All Metal Fabricators. See attached search results on **Exhibit D**.

16. When forming, Plaintiff distinguished its use of the all metal description of the type of goods offered through the company by adding the word “Source” to form its name, All Metal Source, LLC.

17. Source invested in creating a website, printing business cards, supplies and advertising its services and products in relevant trade publications using the name All Metal Source, LLC. The corresponding logo used was:

18. Source's website was well-designed and quickly attracted potential business to Plaintiff.

19. Jessica knew the business well from her years of service to Midwest Metals and began to build the sales and the reputation of All Metal Source, LLC.

20. In September of 2010, Jessica was in South America visiting her beloved great aunt that was suffering from breast cancer and the effects of the chemo therapy treatments.

21. While away and out of the country, Jessica had Jamie Wirtjes ("Jamie") check the mail for Source. Jamie notified her (Jessica) that she had received a letter addressed to Jessica personally, insisting that she cease and desist the use of the phrase "all metal" in the name of her metal distributing business. The letter dated September 2, 2010 asserted that All Metal Sales, Inc. owned the right to the All Metal mark and that her use of "all metal" was in violation of the Lanham Act, Ohio statutes and common law. See **Exhibit E**.

22. Defendant All Metal Sales **does not** own a **federal** trademark or service mark registration for the phrase "All Metal" or "all metal."

23. Defendant All Metal Sales **does not** own a **federal** trademark or service mark registration for the phrase "AllMetal" or "allmetal."

24. Defendant All Metal Sales **does not** own a **federal** trademark or service mark registration for the phrase "A Metal" or "a metal."

25. Defendant All Metal Sales **does not** own a **federal** trademark or service mark registration for the phrase “AMetal” or “ametal.”

26. Defendant All Metal Sales **does not** own a **federal** trademark or service mark registration for the letter element “A” or “a.”

27. Defendant All Metal Sales **does not** own a **federal** trademark or service mark registration for the illustrated logo design identified, namely a large capital “A” with a swirl around it over top of the words “All Metal Sales, Inc.”

28. Defendant All Metal Sales **does not** own a **federal** trademark or service mark registration for the illustrated logo design identified, namely a stylized letter “A” with a swirl around the letter. The words “All Metal Sales, Inc.” are below the letter “A”.

29. Defendant All Metal Sales **does not** own a **state** trademark or service mark registration for the phrase “All Metal” or “all metal.”

30. Defendant All Metal Sales **does not** own a **state** trademark or service mark registration for the phrase “AllMetal” or “allmetal.”

31. Defendant All Metal Sales **does not** own a **state** trademark or service mark registration for the phrase “A Metal” or “a metal.”

32. Defendant All Metal Sales **does not** own a **state** trademark or service mark registration for the phrase “AMetal” or “ametal.”

33. Defendant All Metal Sales **does not** own a **state** trademark or service mark registration for the letter element “A” or “a.”

34. Defendant All Metal Sales **does not** own a **state** trademark or service mark registration for the illustrated logo design identified, namely a large capital “A” with a swirl around it.

35. Jessica knew that many other companies had used the “all metal” phrase for years and suspected that the cease and desist letter was intended to intimidate her from competing with her step-brother.

36. After receiving the September 2, 2010 cease and desist letter, Jessica heard a conversation between Senior and Defendant Junior in which Junior made clear that he would not consider dropping his claim against Source. Junior’s statements in the conversation indicated that his intention in bringing this lawsuit was to prevent Jessica from competing under any name and to destroy her fledgling company. Senior provided as a witness testimony at trial on Civil Action Case No. 1-10 CV 2343, Junior openly said to Senior, his father, as documented on video by the Federal Court recorded at trial of All Metal Sales v All Metal Source Part 3 at 16:00 minutes to 17:55 minutes and viewable online at http://www.uscourts.gov/Multimedia/Cameras/NorthernDistrictofOhio.aspx?video_uuid=p581595m&categoryId=35972 recorded as **Exhibit F**:

“I’m suing her [Jessica]. I’m going to tell you one thing. I just spent a couple hundred thousand dollars having a lawsuit picking out the patio tile color, in Clifton Lagoons where I live. I’m prepared to spend a lot more than that to make sure Jessica will never be in business. I’ll raise, spend all I can on legal fees to make sure she has no chance to be in business.”

37. Faced with the choice between the cost of changing her company’s name and the cost of litigating, Jessica chose to change the name of her company to A Metal Source, LLC. Jessica sent in a certificate of amendment dated October 8, 2010 to the Ohio Secretary of State. The amendment was confirmed by the State of Ohio on October 19, 2010 seen on **Exhibit G**.

38. Source invested in creating a website, printing business cards, supplies and advertising its services and products in relevant trade publications using the name A Metal Source, LLC. The corresponding logo used was:

The logo for A Metal Source, LLC is displayed in a stylized, outlined font. The letters are thin and have a double-line effect, giving it a modern, industrial feel. The text is arranged in a single line, with 'A' at the beginning, followed by 'Metal', 'Source', and 'LLC'.

39. On October 14, 2010, as Source's name change filing was in process with the Ohio Secretary of State, All Metal Sales filed its Complaint as ECF #1 for Civil Action Case No. 1-10 CV 2343 for noted parties as All Metal Sales, Inc. v. All Metal Source, LLC.

40. All Metal Sales was aware that Source had changed its name in response to the cease and desist letter, but filed its hard-charging lawsuit anyway.

41. Source at no time believed that All Metal Sales, Inc. was the only company that could use the phrase "all metal" in the name of its metal distribution business.

42. Source at no time believed that its use of "all metal" in the name All Metal Source, LLC was infringing on any ownership rights of All Metal Sales, Inc.

43. Source at no time believed that its use of "allmetal" in its website name www.AllMetalSource.com was infringing on any ownership rights of All Metal Sales, Inc.

44. Source at no time believed that its use of "a metal" in the name A Metal Source, LLC was infringing on any ownership rights of All Metal Sales, Inc.

45. Source at no time believed that its use of "ametal" in its website name www.AMetalSource.com was infringing on any ownership rights of All Metal Sales, Inc.

46. All Metal Sales has waived its right to assert trademark rights in **ALL METAL** by its failure to assert such rights against the multiple other companies that use the phrase "all

metal” in connection with the sale of metal products, as illustrated in part by the ThomasNet listings attached as **Exhibit C**.

47. All Metal Sales has waived its right to assert trademark rights in **ALL METAL** by it not having a federal registration with the USPTO.

48. All Metal Sales has waived its right to assert trademark rights in **ALLMETAL** by it not having a federal registration with the USPTO. It already exists and is registered to another separate entity by the name of Cleaire Advanced Emission Controls, LLC as indicated in USPTO’s Trademark Electronic Search System (“TESS”). See **Exhibit H**.

49. All Metal Sales has waived its right to assert trademark rights in **A METAL** by it not having a federal registration with the USPTO.

50. All Metal Sales has waived its right to assert trademark rights in **AMETAL** by it not having a federal registration with the USPTO. It already exists and is registered to another separate entity by the name of Tour & Andersson Aktiebolag Corp. as indicated in USPTO’s TESS. See **Exhibit I**.

51. All Metal Sales has waived its right to assert trademark rights in **A** by it not having a federal registration with the USPTO. .

52. All Metal Sales has waived its right to assert trademark rights in **ALL METAL** by it not having a state registration with the State of Ohio.

53. All Metal Sales has waived its right to assert trademark rights in **ALLMETAL** by it not having a state registration with the State of Ohio.

54. All Metal Sales has waived its right to assert trademark rights in **A METAL** by it not having a state registration with the State of Ohio.

55. All Metal Sales has waived its right to assert trademark rights in **AMETAL** by it not having a state registration with the State of Ohio.

56. All Metal Sales has waived its right to assert trademark rights in A by it not having a state registration with the State of Ohio.

57. All Metal Sales is estopped from asserting the claims in its Complaint as it has not asserted rights to an ALL METAL trademark against the multiple other companies that use the phrase “all metal” in connection with the sale of metal products, as illustrated in part by the ThomasNet listings attached as **Exhibit C**.

58. All Metal Sales is estopped from asserting the claims in its Complaint as it has not asserted rights to an ALL METAL trademark as a federal registration with the USPTO. ‘

59. The alleged mark is a phrase used by others as a mark or trade name.

60. All Metal Sales has suffered no damages as a result of the alleged conduct of Source.

61. Use of the phrase “all metal” is merely descriptive of the products sold by Plaintiff and by Defendant and does not have secondary meaning associating All Metal Sales, Inc. as the source of “all metal”.

62. Source’s use of “all metal” and “a metal” is fair use.

63. Source’s use of “all metal” and “a metal” is nominative fair use.

64. Source has received no financial benefit from any confusion over its association, or lack of association, with All Metal Sales, Inc.

65. All Metal Sales’ Complaint claims in Civil Action Case No. 1-10 CV 2343 were barred by laches.

66. All Metal Sales had unclean hands in Civil Action Case No. 1-10 CV 2343.

67. All Metal Sales filed its Complaint ECF #1 of Civil Action Case No. 1-10 CV 2343, knowing Source had changed its business name to A Metal Source, LLC and knowing that All Metal Sales had suffered no damage attributable to Source’s use of the name All Metal

Source, LLC or A Metal Source, LLC. All Metal Sales filed an action asking the Court to enjoin unfair competition when All Metal Sales' real intent is to destroy Jessica's ability to succeed as a new business in competition with All Metal Sales, Inc.

68. On February 19, 2011, Defendant's [former Plaintiff] counsel submitted a **federal** trademark application for registering All Metal Sales' company logo with the United States Patent & Trademark Office ("USPTO"). The **federal** trademark records of All Metal Sales' mark registered for is shown below and on application as **Exhibit J**. **NOTE:** The description of the illustrated drawing or logo for the **federal** trademark is for: **The mark consists of the letter "A" stylized with a swirl around the letter "A"** **NOTE:** "The words All Metal Sales, Inc. are **NOT** below the letter A." See visual illustration drawing of the mark in black and white:

69. On February 22, 2011, Defendant's [former Plaintiff] counsel submitted a trademark registration application with the State of Ohio for registering its company's logo. See attached Pages 2 and 3 of Defendant's state trademark application as **Exhibit K**.

70. On February 22, 2011, Defendant's [former Plaintiff] counsel submitted a service mark registration application with the State of Ohio for registering its company's logo. See attached Pages 2 and 3 of Defendant's state trademark application as **Exhibit L**.

71. On February 24, 2011, the State of Ohio accepted and processed both the trademark and service mark application submitted by Defendant [former Plaintiff] and registered the mark as shown in the illustrated "red" drawing below. See the State of Ohio Certificate of

Trademark on Page 1 of **Exhibit K** and the Certificate of Service Mark on Page 1 of **Exhibit L**. Both the trademark and the service mark certificate from the State of Ohio do not show the full “in words” description of the mark description due to space restriction as noted on original application. **NOTE:** The description of the registered illustrated drawing or logo for the **state** trademark is for “**A stylized letter 'A' with a swirl around the letter. The words All Metal Sales, Inc. are below the letter A.**” See visual illustration of the mark:

72. On May 20, 2011, Defendant All Metal Sales filed a motion to enforce settlement ECF #27 of Civil Action Case No. 1-10 CV 2343, which lead to a hearing on July 12, 2011 before Northern District of Ohio Court Judge Donald C. Nugent. The Courts Memorandum Opinion and Order ECF #34 having considered the briefs, as well as all evidence and argument presented at the hearing, found All Metal Sales failed to prove by a preponderance of the evidence that an enforceable agreement had been reached. All Metal Sales’ motion was denied.

73. On August 30, 2011, Junior [former Plaintiff] falsely stated in a deposition on Trademark Civil Action Case No. 1-10 CV 2343, that his business had a **registered** trademark with the State of Ohio since 1999 when he claimed, “**There is a trademark pending from the U.S. Patent office. I do have one with the State of Ohio since 1999.**” As recorded on Page 34, Line 18 – Line 20 of Junior’s deposition seen attached on **Exhibit M** and proven otherwise on the State of Ohio Trademark Certificate seen on Page 1 of **Exhibit K** which is certified dated

on February 24, 2011. Therefore, All Metal Sales' state trademark registration with the State of Ohio indicates the filing was twelve years later; not since 1999.

74. As recorded on Page 34, Line 18 – Line 20 of Junior's deposition seen attached on **Exhibit M**

75. On October 24, 2011, the State of Ohio accepted and processed both the trademark and service mark application submitted by Plaintiff [former Defendant] and registered the mark as shown in the illustrated drawing below. See the State of Ohio Certificate of Trademark on **Exhibit N** and the Certificate of Service Mark on **Exhibit O** for A Metal Source, LLC. Both the trademark and the service mark certificate from the State of Ohio do not show the full "in words" description of the mark description due to space restriction.

AMSL
A METAL SOURCE, LLC

76. On October 25, 2011, the USPTO accepted and processed the application submitted by Plaintiff [former Defendant] and registered the service mark. The federal service mark registration is for “**A METAL SOURCE, LLC**” as shown on the Defendant’s official USPTO Registration Certificate No. 4047248 seen as **Exhibit P**.

77. On December 22, 2011, Senior submitted a personal deposition letter addressed to Northern District of Ohio Court Judge Donald C. Nugent and was documented as ECF #42 of Civil Action Case No. 1-10 CV 2343 as seen attached as **Exhibit Q**. This further proves the malice of Junior towards Jessica.

78. On January 5, 2012, at the conclusion of a two day trial of Civil Action Case No. 1-10 CV 2343, the Jury of twelve was duly impaneled and sworn pursuant to Fed. R. Civ. P.39(c)(1) and returned before the Court all unanimously in favor of Jessica Esparza’s business A Metal Source, LLC f/k/a All Metal Source, LLC of all counts. The Court accepted the Jury’s unanimous Answers to Interrogatories and entered Judgment in favor of Defendant [present Plaintiff, Source] on Plaintiff’s Complaint [present Defendant, All Metal Sales]. All Metal Sales did not demonstrate the elements necessary for its claims of unfair competition under the Lanham Act, 15 U.S.C. § 1125(a)(1)(a); violation of the Ohio Deceptive Trade Practices Act, Ohio Rev. Code § 4165.01 et. seq.; unfair competition, and unjust enrichment all based upon Source’s alleged infringement of All Metal Sales’ trademark “All Metal” and All Metal Sales’ A Logo.

The Jury, in open court, returned the following unanimous Answers to Interrogatories in Civil Action Case No. 1-10 CV 2343:

79. Ultimately, All Metal Sales was not able to prove the likelihood of confusion at trial in Civil Action Case No. 1-10 CV 2343. In the Sixth Circuit, the court considers the eight *Frisch*-factors to determine whether a likelihood of confusion exists: (1) similarity of the marks; (2) relatedness of the goods; (3) evidence of actual confusion; (4) intent of the defendant in selecting the mark; (5) marketing channels used; (6) strength of the plaintiff's mark; (7) likely degree of purchaser care; and (8) likelihood of expansion of the product lines using the marks. *Frisch's Restaurants, Inc. v. Elby's Big Boy of Steubenville, Inc.*, 670 F.2d 642, (6th Cir. 1982). No one factor is conclusive; each must be weighed in light of the total evidence presented at trial.

80. On January 9, 2012, Northern District of Ohio Court Judge Donald C. Nugent found Judgment in favor of Source [former Defendant] on Civil Action Case No. 1-10 CV 2343 - ECF #67. See attached **Exhibit R**:

"The Court read the Interrogatory Answers in open court, and thereafter, the Court polled the Jury. Each Juror affirmatively responded to the correctness of the Answers. The Court accepted the Interrogatory Answers and the Jury was then discharged."

"THEREFORE, based upon the Interrogatory Answers, the Court enters Judgment pursuant to Rule 58 of the Federal Rules of Civil Procedure in favor of the Defendant A Metal Source, LLC (formerly known as All Metal Source, LLC) on Plaintiff's Complaint. All costs are to be paid by the Plaintiff."

81. On February 6, 2012, Defendant All Metal Sales [former Plaintiff] motions the Court for Judgment as a Matter of Law or for a New Trial [Civil Action Case No. 1-10 CV 2343 - DOC #71 and DOC #71-1].

82. Some point after trial ended, Source began using its updated and latest logo along with its business as seen below:

83. On March 13, 2012, after trial ended, the USPTO accepted and processed the revised application submitted by Defendant's [former Plaintiff] counsel and registered the trademark. As shown in the illustrated drawing below and on the Defendant's official USPTO Registration Certificate No. 4111084 seen as **Exhibit S** and on the USPTO Trademark Status and Document Retrieval ("TSDR") in **Exhibit U**. **NOTE:** The description of the illustrated drawing or logo for the federal trademark is only for: **The mark consists of the letter "A" stylized with a swirl around the letter "A"** **NOTE:** The words All Metal Sales, Inc. are not below the letter "A" on the USPTO Certificate (**Exhibit S**), nor the USPTO TSDR (**Exhibit T**). See visual illustration drawing of the registered mark in black and white:

84. On April 9, 2012 and then later corrected on May 18, 2012 due to clerical and/or typographical party reference errors, Northern District of Ohio Court Judge Memorandum

Opinion and Order (Corrected) for Civil Action Case No. 1-10 CV 2343 - ECF#76 seen as **Exhibit U**, denied All Metal Sales' Renewed Motion For Judgment As A Matter of Law or for a New Trial on trademark lawsuit. The Northern District of Ohio Court Judge Donald C. Nugent's Memorandum Opinion and Order stated:

STANDARD OF REVIEW

"Fed. R. Civ. P. 50(b) provides that if a court does not grant a motion for judgment as a matter of law made after the close of all the evidence and the party renews its request after a verdict is returned, the court may (1) allow the judgment to stand, (2) order a new trial, or (3) direct entry of judgment as a matter of law. The "standard for granting a renewed motion for judgment as a matter of law under Rule 50(b) is precisely the same as the standard for granting the pre-submission motion." Wright & Miller, Federal Practice and Procedure: Civil 2d § 2537, p. 347 (footnote omitted)."

That is, judgment as a matter of law may be granted when "a party has been fully heard on an issue and there is no legally sufficient evidentiary basis for a reasonable jury to find for that party on that issue." *Imwalle v. Reliance Medical Products, Inc.*, 515 F.3d 531, 543 (6th Cir. 2008) (citing *Reeves v. Sanderson Plumbing Prods., Inc.*, 530 U.S. 133, 149 (2000); see also Fed.Civ. R.50(b). "The Court is not free to weigh the parties' evidence or to pass upon the credibility of witnesses. Nor may the Court substitute its own judgment for that of the jury... When the evidence would permit reasonable minds to differ on the issues decided, a motion for judgment as a matter of law must be denied. In short, every effort must be made to uphold the verdict

if reasonably possible.” *In re Scrap Metal Antitrust Litigation*, No. 1:02 CV 0844, 2006 WL 2850453, at *8 (N.D. Ohio Sept. 30, 2006).

The application of Fed. Civ. R.59 is similarly limited, and does not permit a court to set aside a jury verdict “simply because different inferences and conclusions could have been drawn or because some other results are more reasonable.” *J.C. Wyckoff & Assoc., v. Standard Fire Insurance Co.*, 936 F.2d 1474, 1487 (6th Cir. 1991). Under Fed. R. Civ. P. 59(a), “a new trial may be granted to all or any of the parties and on all or part of the issues ... in an action in which there has been a trial by jury, for any of the reasons for which new trials have heretofore been granted in actions at law in the courts of the United States...”

When reviewing a motion for a new trial, a court “should indulge all presumptions in favor of the validity of the jury’s verdict.” *Brooks v. Toyotomi Co.*, 86 F.3d 582, 588 (6th Cir. 1996) (citation *Ragner Benson, Inc. v. Kassab*, 325 F.2d 591, 594 (3rd Cir. 1963)). A jury verdict must be upheld so long as there is any competent and substantial evidence in the record to support it, even if contradictory evidence was presented. *Green v. Francis*, 705 F.2d 846, 849 (6th Cir. 1983).

Nevertheless, on a motion for new trial, as contrasted with a motion for judgment as a matter of law, the judge may set aside the verdict even though there exists substantial evidence to support it. *McDonald v. Petree*, 409 F.3d 724 (6th Cir. 2005). However, the district court “should refrain from interfering with a jury’s verdict unless it is clear that the jury reached a seriously erroneous result.” *Brooks v. Toyotomi Co.*, 86 F.3d 588. The Sixth

Circuit has explained that a “seriously erroneous result” would be evidenced by: (1) the verdict being against the weight of the evidence; (2) the damages being excessive; or (3) the trial being unfair to the moving party in some fashion *i.e.*, the proceedings having been influenced by prejudice or bias. *Holmes v. City of Massillon*, 78 F.3d 1041 (6th Cir. 1996).

Moreover, procedural errors, such as a mistake regarding the admission or exclusion of evidence or an error made in instructing the jury, cannot be the basis for ordering a new trial unless the error affects a substantial right of a party. See Fed. R. Civ. P. 61. Thus, a motion for a new trial will not be granted unless the moving party suffered prejudice. *Tompin v. Philip Morris USA, Inc.*, 362 F.3d 882, 891 (6th Cir. 2004) (citing *Erskine v. Consol. Rail Corp.*, 814 F.2d 266, 272 (6th Cir. 1987)) (holding that a new trial will not be granted on the ground that surprise evidence was admitted unless the moving party was prejudiced). Even if a mistake has been made regarding the admission or exclusion of evidence, a new trial will not be granted unless the evidence would have caused a different outcome at trial. *Morales v. American Honda Motor Co., Inc.*, 151 F.3d 500, 514 (6th Cir. 1998).

DISCUSSION

The basis of Plaintiff’s motion is that the twelve member jury erred in answering all ten interrogatories because based on the evidence offered at trial, reasonable minds could only conclude that each one of those interrogatories should have been answered in Plaintiff’s favor. Plaintiff notes various testimony or documents which “dispositively” establish that its ALL

METAL mark has secondary meaning and that there was a likelihood of confusion. While the evidence referred to by Plaintiff [All Metal Sales] could certainly provide an inference of secondary meaning and/or likelihood of confusion, it was by no means dispositive in a legal sense. Further, the Defendant [Source] introduced witnesses and documents which supported Defendant's position on those questions. After carefully reviewing the record, filings and briefs, the Court concludes that the evidence would permit reasonable minds to differ on the issues decided. The court must not and will not weigh the evidence would permit reasonable minds to differ on the issues decided. The Court must not and will not weigh the evidence or make credibility determinations. The jury did that and its decisions were reasonably supported by the evidence. Accordingly, a motion for judgment as a matter of law must be denied.

Similarly, with respect to All Metal Sales' half hearted alternative request for a new trial, the Court decided, "this Court will 'indulge all presumptions in favor of the validity of the jury's verdict.'" *Brooks v. Toyotomi Co.*, 86 F.3d 582, 588 (6th Cir. 1996) (citation omitted) and uphold the jury's verdict so long as there is any competent and substantial evidence in the record to support it, even if contradictory evidence was presented. See *Green v. Francis*, 705 F.2d 846, 849 (6th Cir. 1983). Based upon review of the trial transcript, evidence and filings, the Court does not find that the Answers to Interrogatories were "seriously erroneous." That is the answers were not against the weight of the evidence and there was no showing that trial was unfair to [former] Plaintiff or that the answers were influenced by prejudice

or bias. *Holmes v. City of Massillon*, 78 F.3d 1041 (6th Cir. 1996). As such, Plaintiff's motion for a new trial is denied."

CONCLUSION

For the reasons set forth above, Plaintiff's Renewed Motion for Judgment as a Matter of Law or, for a New Trial (ECF #71) is denied.

IT IS SO ORDERED."

85. Mark Quasar ("Mark") is the son of Paul Quasar ("Paul"), a close and personal friend of Senior and a long-time acquaintance of Jessica. David B. Cupar ("Cupar") was one of Defendants [former Plaintiff] counsel in Civil Action Case No. 1-10 CV 2343 litigation against Jessica. Cupar and Mark were coaches on their own son's soccer team. In the summer of 2012, one day at their son's sports game, after the trademark case ended in favor of Source [former Defendant], Cupar, openly admitted that he had advised his client, Junior, that All Metal Sales had no case against Jessica in the Trademark Case No. 1:10 CV 2343 and that it was a ridiculous suit to pursue. He [Cupar] only continued pursuing the lawsuit because his client told him to continue. Mark told his father about this conversation he had Cupar. Paul told Senior about the conversation and the topic of discussion, who then forwarded this information to Jessica. Jessica later confirmed this incident. Mark Quasar will testify at trial with regards to this incident.

86. Plaintiff Source has lost business and revenue due to Defendant Junior's business deliberate efforts to ensure Source would continue spending its income on the cost of litigating.

87. Plaintiff Source has lost business and revenue due to Defendants deliberate efforts to trade upon the goodwill of Source and capture Source's upcoming business.

88. Plaintiffs pray that Plaintiffs will be awarded reasonable attorneys fees under 15 U.S.C. § 1117(a) for having to defend against Defendant All Metal Sales' oppressive action in Civil Action Case No. 1-10 CV 2343.

89. Punitive damages can be awarded in Ohio where unfair competition claims are premised on malicious litigation and there is evidence of actual malice, fraud, oppression, or insult. *The American Chemical Society v. Leadscope, Inc.*, 10th Dist. No. 08AP-1026, 2010 Ohio 02725 Paragraph 86. In this case, unfair competition, including intentional and malicious conduct was alleged, including specific facts in support of those allegations. Clarifying A Metal Source's intent to seek punitive damages promotes justice by promoting clarity.

COUNT ONE – ABUSE OF PROCESS

90. Plaintiffs Source and Jessica incorporate by reference all allegations in all preceding paragraphs of this Complaint as if fully rewritten herein.

91. When it learned that a potential customer had contacted Plaintiff Source [former Defendant] by mistake, Defendant [former Plaintiff] All Metal Sales sent a cease and desist letter and then proceeded to file suit to enjoin alleged violations of the Lanham Act, the Ohio Deceptive Trade Practices Act, and state common law unfair competition claims.

92. Defendant All Metal Sales [former Plaintiff] had taken one instance or mistake by a single customer which did not result in Defendant All Metal Sales losing a sale to Plaintiff Source [former Defendant] and used it as an opportunity to saddle a new competitor with the costs of defending a federal lawsuit. Defendants Junior and All Metal Sales determined to use the action to try and destroy Plaintiff's business by diverting the time and resources of Plaintiffs Jessica and A Metal Source and forcing Plaintiffs to compete while uncertain of its ability to use the name and reputation it was building with its customers and suppliers.

93. Defendant [former Plaintiff] All Metal Sales had filed his action in Civil Action Case No. 1-10 CV 2343 to use the Courts in an attempt to accomplish an ulterior motive for which it was not designed.

94. Defendants Junior and All Metal Sales real intent was to destroy Plaintiff's ability to succeed as a new business in competition with Defendant All Metal Sales as well as take ownership of Plaintiff Source's intellectual trademark property, websites, along with other business registrations of ownership of Source.

95. Defendant's real intent was to gain access to Plaintiff's [former Defendant] business customer records with confidential information, pricing strategy and amongst other things, Plaintiff Source's trade secrets. This allowing for Defendant [former Plaintiff] to have leverage over Plaintiff [former Defendant] on products sold in the market place.

96. Defendant's real intent was to have Plaintiff financially responsible for damages that did not exist.

97. Plaintiffs Source and Jessica have suffered damages in connection with Defendant's wrongful use of process and the legal system in an amount greater than \$86,000.00

98. The termination of the prior proceeding, Civil Action Case No. 1-10 CV 2343, was in Plaintiff's [former Defendant] A Metal Source, LLC's favor (formerly known as All Metal Source, LLC).

99. In order to establish a claim of abuse of process, the three elements of abuse of process under Ohio law include: "(1) that a legal proceeding has been set in motion in proper form and with probable cause; (2) that the proceeding has been perverted to attempt to accomplish an ulterior purpose for which it was not designed; and (3) that direct damage has resulted from the wrongful use of process." *Yaklevich v. Kemp, Schaeffer & Rowe Co., L.P.A.*, 68 Ohio St.3d 294, 1994-Ohio-503,626 N.E.2d 115

100. In an abuse of process case, “[t]he improper purpose usually takes the form of coercion to obtain a collateral advantage, not properly involved in the proceeding itself, such as the surrender of property or the payment of money, by the use of the process as a threat or a club.” Prosser & Keeton on Torts, (5 Ed. 1984), 898, Section 121. Simply, abuse of process occurs where someone attempts to achieve through use of the court that which the court is itself powerless to order.

101. We believe that reasonable minds could conclude that Defendants Junior and All Metal Sales instituted its trademark lawsuit Civil Action Case No. 1-10 CV 2343 with the intention to use it as a club to destroy Plaintiff’s business.

COUNT TWO – UNFAIR COMPETITION

102. Plaintiffs Source and Jessica incorporate by reference all allegations in all preceding paragraphs of this Complaint as if fully rewritten herein.

103. Defendant Junior through his company All Metal Sales pursued costly litigation in Civil Action Case No. 1-10 CV 2343 over one instance of alleged confusion which did not result in All Metal Sales losing an opportunity to make its bid. Defendant All Metal Sales has not sought to challenge other metal distributor’s use of the phrase “all metal”. Junior’s and All Metal Sales’ purpose in pursuing the trademark litigation was not the protection of a widely used phrase describing Plaintiff and Defendant’s business. Rather, Junior’s and All Metal Sales’ pursuit of that litigation, using its more established financial resources and the Court, was for the purpose of destroying Source, an emerging competitor.

104. The number of customer confusion was not ten, twenty, fifty, one-hundred, or hundreds, nor thousands. The count was one single instance. This single instance gave Junior the spark to launch a new lawsuit. “each must be weighed in light of the total evidence presented

at trial.” *Frisch’s Restaurants, Inc. v. Elby’s Big Boy of Steubenville, Inc.*, 670 F.2d 642, (6th Cir. 1982).

105. Defendants All Metal Sales’ and Junior’s actions in Civil Action Case No. 1-10 CV 2343 amount to malicious litigation and are not consistent with fair competition.

106. Defendants All Metal Sales’ and Junior’s actions have caused substantial commercial injury to Plaintiffs Source and Jessica.

107. As a direct and proximate result of Defendants All Metal Sales’ and Junior’s unfair competition under Ohio common law, Plaintiffs Source and Jessica have suffered damages in an amount exceeding \$25,000.00.

108. Defendants All Metal Sales’ and Junior’s deceptive and infringing acts are unfair competition in violation of the common law of Ohio.

109. As a direct and proximate result of Defendants All Metal Sales’ and Junior’s unfair competition, Plaintiffs Source and Jessica have suffered, and will continue to suffer, irreparable harm. Such harm will continue unless enjoined by this Court.

COUNT THREE – UNJUST ENRICHMENT
Ohio Trade Practices, Ohio Revised Code § 1333.63

110. Plaintiffs Source and Jessica incorporate by reference all allegations in all preceding paragraphs of this Complaint as if fully rewritten herein.

111. Through its deceptive and infringing conduct, Defendants All Metal Sales and Junior have obtained benefits, including sales and goodwill, that rightfully belong to Source and Jessica.

112. Defendants All Metal Sales and Junior have not compensated Source or Jessica for the benefits that All Metal Sales and Junior wrongfully obtained, despite justice and equity requiring it to do so.

113. Defendants All Metal Sales and Junior have unjustly enriched themselves by obtaining and retaining the ill-gotten benefit of their deceptive conduct.

114. Defendant All Metal Sales' and Junior's receipt of the benefits of its deceptive acts is unjust enrichment.

115. As a direct and proximate result of All Metal Sales' and Junior's unjust enrichment, Plaintiffs Source and Jessica have suffered damages in an amount exceeding \$15,000.00

116. As a direct and proximate result of Defendants All Metal Sales' and Junior's unjust enrichment, Plaintiffs Source and Jessica have suffered, and will continue to suffer, irreparable harm. Such harm will continue unless enjoined by this Court.

COUNT FOUR – FRIVOLOUS CONDUCT
Ohio Revised Code § 2323.51(A)(1)(a) and (2)(a)

117. Source and Jessica incorporate by reference all allegations in all preceding paragraphs of this Complaint as if fully rewritten herein.

118. When it learned that a potential customer had contacted Plaintiff Source [former Defendant] by mistake, Defendant [former Plaintiff] All Metal Sales sent a cease and desist letter and then proceeded to file suit to enjoin alleged violations of the Lanham Act, the Ohio Deceptive Trade Practices Act, and state common law unfair competition claims.

119. Defendant All Metal Sales had taken one instance or mistake by a single customer which did not result in Defendant All Metal Sales [former Plaintiff] losing a sale to Plaintiff Source [former Defendant] and used it as an opportunity to saddle a new competitor with the costs of defending a federal lawsuit. Defendants Junior and All Metal Sales determined to use the action to try and destroy Plaintiff's business by diverting the time and resources of Plaintiffs Jessica and A Metal Source and forcing Plaintiffs to compete while uncertain of its ability to use the name and reputation it was building with its customers and suppliers.

120. The number of customer confusion was not ten, twenty, fifty, one-hundred, or hundreds, nor thousands. The count was one single instance. This single instance gave Junior the spark to launch a new lawsuit. “each must be weighed in light of the total evidence presented at trial.” *Frisch’s Restaurants, Inc. v. Elby’s Big Boy of Steubenville, Inc.*, 670 F.2d 642, (6th Cir. 1982).

121. Defendant Junior through his company All Metal Sales pursued costly litigation in Civil Action Case No. 1-10 CV 2343 over one instance of alleged confusion which did not result in All Metal Sales losing an opportunity to make its bid. Defendant All Metal Sales has not sought to challenge other metal distributor’s use of the phrase “all metal”. Junior’s and All Metal Sales’ purpose in pursuing the trademark litigation was not the protection of a widely used phrase describing Plaintiff and Defendant’s business. Rather, Junior’s and All Metal Sales’ pursuit of that litigation, using its more established financial resources and the Court, was for the purpose of destroying Source, an emerging competitor.

122. Defendants All Metal Sales’ and Junior’s actions in Civil Action Case No. 1-10 CV 2343 amount to malicious litigation and is frivolous conduct.

123. Defendant [former Plaintiff] All Metal Sales had filed his action in Civil Action Case No. 1-10 CV 2343 to use the Courts in an attempt to accomplish an ulterior motive for which it was not designed.

124. Defendant Junior specifically told his father Senior that he will do whatever it takes as well as spend the necessary finances to ensure Plaintiffs Jessica and her business, Source, will never make it in business.

125. Plaintiffs Source and Jessica have suffered damages in connection with Defendant’s wrongful use of process and the legal system in Civil Action Case No. 1-10 CV 2343 in an amount greater than \$86,000.00

126. The frivolous conduct claim pursuant to O.R.C. § 2323.51(A)(1)(a) and (2)(a) states in pertinent part:

“(A) As used in this section:

(1) “Conduct” means any of the following:

(a) The filing of a civil action, the assertion of a claim, defense, or other position in connection with a civil action, the filing of a pleading, motion, or other paper in a civil action, including, but not limited to, a motion or paper filed for discovery purposes, or the taking of any other action in connection with a civil action;

(2) “Frivolous conduct” means either of the following:

(a) Conduct of an inmate or other party to a civil action, of an inmate who has filed an appeal of the type described in division (A)(1)(b) of this section, or of the inmate’s or other party’s counsel of record that satisfies any of the following:

(i) It obviously serves merely to harass or maliciously injure another party to the civil action or appeal or is for another improper purpose, including, but not limited to, causing unnecessary delay or a needless increase in the cost of litigation.

(ii) It is not warranted under existing law, cannot be supported by a good faith argument for an extension, modification, or reversal of existing law, or cannot be supported by a good faith argument for the establishment of new law.

127. It is obvious from the trial evidence and trial testimony of witnesses in Civil Action Case No. 1-10 CV 2343 and exhibits introduced within this new Complaint that Defendant Junior definitely wanted to destroy Plaintiff Jessica and her business at any cost possible and with the use of the Courts.

128. As a direct and proximate result of Defendants All Metal Sales' and Junior's frivolous conduct in Civil Action Case No. 1-10 CV 2343, Source and Jessica have suffered damages in an amount exceeding \$15,000.00

129. As a direct and proximate result of Defendants All Metal Sales' and Junior's frivolous conduct in Civil Action Case No. 1-10 CV 2343, Plaintiffs Source and Jessica have suffered, and will continue to suffer, irreparable harm. Such harm will continue unless enjoined by this Court.

COUNT FIVE – VEXATIOUS CONDUCT
Ohio Revised Code § 2323.52(A)(2) and (3)

130. Plaintiffs Source and Jessica incorporate by reference all allegations in all preceding paragraphs of this Complaint as if fully rewritten herein.

131. When it learned that a potential customer had contacted Plaintiff Source [former Defendant] by mistake, Defendant [former Plaintiff] All Metal Sales sent a cease and desist letter and then proceeded to file suit to enjoin alleged violations of the Lanham Act, the Ohio Deceptive Trade Practices Act, and state common law unfair competition claims.

132. Defendant All Metal Sales had taken one instance or mistake by a single customer which did not result in Defendant All Metal Sales [former Plaintiff] losing a sale to Plaintiff Source [former Defendant] and used it as an opportunity to saddle a new competitor with the costs of defending a federal lawsuit. Defendants Junior and All Metal Sales determined to use the action to try and destroy Plaintiff's business by diverting the time and resources of Plaintiffs

138. Defendant Junior specifically told his father Senior that he will do whatever it takes as well as spend the necessary finances to ensure Plaintiffs Jessica and her business, Source, will never make it in business.

139. Plaintiffs Source and Jessica have suffered damages in connection with Defendant's wrongful use of process and the legal system in Civil Action Case No. 1-10 CV 2343 in an amount greater than \$86,000.00

140. The vexatious conduct claim pursuant to O.R.C. § 2323.52(A)(2) and (3) states in pertinent part:

“(A) As used in this section:

(2) “Vexatious conduct” means conduct of a party in a civil action that satisfies any of the following:

(a) The conduct obviously serves merely to harass or maliciously injure another party to the civil action.

(b) The conduct is not warranted under existing law and cannot be supported by a good faith argument for an extension, modification, or reversal of existing law.

(3) “Vexatious litigator” means any person who has habitually, persistently, and without reasonable grounds engaged in vexatious conduct in a civil action or actions, whether*** in a court of common pleas, municipal court***, the person instituted the civil action or actions, and whether the vexatious conduct was against the same party or against different parties in the civil action or actions.***”

141. It is obvious from the trial evidence and trial testimony of witnesses in Civil Action Case No. 1-10 CV 2343 and exhibits introduced within this new Complaint, that Junior definitely wanted to destroy Jessica and her business at any cost possible and with the use of the Courts.

142. As a direct and proximate result of All Metal Sales' and Junior's vexatious conduct in Civil Action Case No. 1-10 CV 2343, Source and Jessica have suffered damages in an amount exceeding \$15,000.00

143. As a direct and proximate result of All Metal Sales' and Junior's vexatious conduct, Source and Jessica have suffered, and will continue to suffer, irreparable harm. Such harm will continue unless enjoined by this Court.

Re: All Metal Sales, Inc.

Gentlemen:

I am enclosing the corrected Articles of Incorporation prepared for a newly formed corporation, All Metal Sales, Inc. along with your letter to me dated September 2, 1999. We have corrected the documents to include the city in which the corporation is to be located. As noted in your correspondence, you are holding the filing fee of \$85.00, which was previously sent.

I would ask your cooperation in processing this new corporation and returning to my office the Articles of Incorporation after they have been approved.

I thank you for your assistance in this matter.

Very truly yours,

Patrick R. Rocco

Re: Unlawful Use of ALL METAL Trademark and Unfair Competition

Dear Ms. Esparza:

We represent All Metal Sales Inc. ("All Metal"). As you well know based on your personal experience, All Metal has successfully owned and used its **All Metal** mark in connection with the sale of its metal materials to customers for many years. The **All Metal** mark is of great value and importance to All Metal and its business.

Knowing the value of the **All Metal** mark and the success of All Metal's business, you have copied All Metal's mark and begun using it in the identical business as does All Metal. Specifically, we found that you are selling the same metal materials under the name All Metal Source, LLC, and use the All Metal mark throughout your website www.allmetalsource.com in connection with your business. Needless to say, but your copying of the **All Metal** trademark to enter the identical business selling the identical goods and services constitutes trademark infringement under Section 43(a) of the Lanham Act, 15 U.S.C. § 1125(a), a false designation of the original and false description under Section 43(a) of the Lanham Act, 15 U.S.C. § 1125(a); and false registers, traffic in, or use of a domain name or trade name containing another's mark with a bad faith intent to profit from that mark under Section 43(d) of the Lanham Act, 15 U.S.C. § 1125(d); and violates the Ohio trademark and dilutions statutes and law of unfair competition and misappropriation.

Your unlawful use of the **All Metal** mark with your corporate name and in your advertising and business unfairly capitalizes on the goodwill and reputation embodied in All Metal's products, services, and business. Customers already have mistakenly believed that your use of the **All Metal** mark is somehow authorized or sponsored by us or is somehow affiliated with All Metal. This further evidences your significant and willful unlawful activities. Based on these violations, All Metal is entitled to monetary damages including lost profits, treble damages, attorneys' fees and costs, and injunctive relief.

To ensure that you cease and desist of all unauthorized use of the **All Metal** marks or any marks confusingly similar to the **All Metal** marks on any corporate names, websites, products, advertisements, or in connection with any services, we request that you certify that:

- (1) you or any entity you are affiliated with or an agent of, immediately cease all use of **All Metal** or marks using **All Metal** or any domain name or mark confusingly similar to **All Metal**;
- (2) cease the use of all metal tag or other marker in your domain name or HTML source code using **All Metal** or anything confusingly similar to the **All Metal** mark; and
- (3) you or any entity you are affiliated with or an agent of, agree to cease any further corporate name, website use or advertising bearing the **All Metal** mark being a part thereof or any domain name, trade name, corporate name or mark confusingly similar to the **All Metal** mark.

Your signature on the line indicated below signifies your acceptance of the terms outlined in this letter. If we do not receive a full acceptance from you within seven (7) days of the date of this letter, we will proceed with all steps necessary to protect our client's goodwill in its goods and service marks and to stop your continued unlawful, willful infringement to confuse customers using the same mark for the same goods and services as All Metal.

Sincerely,

David B. Cupar

When I asked you if</p> <p>6 you had your deposition taken before, you said</p> <p>7 yes, in one case, and that was the case of</p> <p>8 Klocker versus Clifton Lagoons, and that</p> <p>9 appears to be similar, if not the same case, as</p> <p>10 Clifton Park Trustees versus Thomas G. It 16 wasn't in my contract. 17 Q Did you have a contract? 18 A I did have a contract, yes. 19 Q Did you have a three-year contract or something 20 less than that? 21 A There was no time specified on the contract. 22 Q Was the contract in writing? 23 A Yes. 24 Q Do you have a copy of it? 25 A Doubt it.</p>	<p style="text-align: right;">31</p> <p>1 State of Ohio or the Federal Government? 2 MR. CUPAR: Again, 3 objection as to timeframe. Which timeframe? 4 Q Was there a time that you tried to get a 5 trademark, sir? 6 A Yes. 7 Q When was that, if you know? 8 A I don't know. 9 Q Was it in 1999? 10 A I don't know when it was. 11 Q Was it recently? 12 A I don't know. 13 Q Do you have a trademark registration with the 14 U.S. Patent and Trademark Office? When I say 15 you, I mean All Metal Sales, Inc. 16 A A registration? 17 Q Yes, sir. 18 A No. 19 Q Have you made application for a trademark 20 registration? 21 A Yes. 22 Q And did you apply for registration with the 23 State of Ohio for a trademark? 24 A I believe the U.S. Government. 25 Q What about the State of Ohio?</p>
<p style="text-align: right;">30</p> <p>1 Q Now, sir, directing your attention to All Metal 2 Sales, Inc. which you incorporated in 1999, did 3 there come a time when you tried to obtain a 4 trademark registration for that company either 5 with the State of Ohio or with the Federal 6 Government? 7 MR. CUPAR: At any point 8 in time? Just so I'm clear on that. 9 MR. DRAIN: Yes, at any 10 point in time. 11 A Yes. 12 Q Can you explain or tell us what you did in that 13 regard, took trademark with Ohio or the Federal 14 Government? 15 A I came to Downtown Cleveland and went to the 16 license bureau I believe, obtained a vendor's 17 license and I incorporated the business through 18 McDonald Hopkins, using them as my attorney to 19 go to the State of Ohio and incorporate the 20 business through the State of Ohio. 21 Q And that was in 1999, correct? 22 A Correct. 23 Q All right. Did there come a time when you 24 attempted to obtain trademark registration for 25 your business All Metal Sales, Inc. with the</p>	<p style="text-align: right;">32</p> <p>1 A I have a trademark with the State of Ohio with 2 my company and my logo. I've had that since 3 1999. 4 Q A trademark? 5 A A trademark, yes, since 1999. 6 Q Is it registered in the records of the State of 7 Ohio, if you know? 8 A Yes. My company is registered with the State 9 of Ohio as of 1999. 10 Q What about the trademark? 11 A I have a trademark when I started my company in 12 1999. 13 Q And how would you describe the trademark, sir? 14 Is it just the letter A or is it the name All 15 Metal Sales, Inc.? 16 MR. CUPAR: Objection. 17 That's vague and it calls for a legal 18 conclusion. 19 Q Do you know? What does the trademark consist 20 of? 21 MR. CUPAR: Are you 22 asking a legal question there? I'm not sure 23 what you're asking. 24 Q You're president of your company. Do you know 25 if you have a trademark?</p>

<p style="text-align: right;">33</p> <p>1 A Yes, I do.</p> <p>2 Q And are you able to describe the trademark?</p> <p>3 MR. CUPAR: Objection.</p> <p>4 Trademark or trademarks? Which one?</p> <p>5 Q Are you able to describe your trademark with</p> <p>6 the State of Ohio, the one you just testified</p> <p>7 to?</p> <p>8 A Yes.</p> <p>9 MR. CUPAR: Object. Hold</p> <p>10 on. Objection. He identified trademarks and</p> <p>11 you keep asking about a trademark. Are you</p> <p>12 asking about a specific one or both or what?</p> <p>13 MR. DRAIN: I'm asking</p> <p>14 about the trademark that he says he has</p> <p>15 registered with the State of Ohio and I'm</p> <p>16 asking him to describe it.</p> <p>17 MR. CUPAR: Objection.</p> <p>18 He identified two, so I think he's asking for</p> <p>19 both, but I'm not sure what he's asking, just</p> <p>20 so you know.</p> <p>21 BY MR. DRAIN:</p> <p>22 Q How many trademarks do you have, sir?</p> <p>23 A I don't know the answer.</p> <p>24 Q So you don't know if you have a trademark</p> <p>25 basically?</p>	<p style="text-align: right;">35</p> <p>1 Trademark Office.</p> <p>2 MR. CUPAR: Objection.</p> <p>3 Asked and answered. Badgering.</p> <p>4 Q And your answer is the patent application is</p> <p>5 pending; is that right, sir?</p> <p>6 MS. HAYNES: Could you</p> <p>7 repeat the question?</p> <p>8 Q Yes. If one were to go to the U.S. Patent and</p> <p>9 Trademark Office, sir, would one find a</p> <p>10 trademark application pending for All Metal</p> <p>11 Sales, Inc.?</p> <p>12 A I believe so.</p> <p>13 Q Now, your business, All Metal Sales, Inc., can</p> <p>14 you describe the nature of the business,</p> <p>15 please?</p> <p>16 A Global metal distributor of every size, type</p> <p>17 and form.</p> <p>18 Q All right. So we can agree that it's not a</p> <p>19 local company, that you're selling globally;</p> <p>20 are you not?</p> <p>21 A Correct.</p> <p>22 Q Now, if one were to look at the scope of other</p> <p>23 businesses with the name or the phrase All</p> <p>24 Metal in them, one would find a number of</p> <p>25 companies in existence at this time, wouldn't</p>
<p style="text-align: right;">34</p> <p>1 A No. I do know I have a trademark.</p> <p>2 Q Okay. If you have a trademark, can you</p> <p>3 describe the trademark?</p> <p>4 A All Metal Sales, Incorporated, my logo as you</p> <p>5 see it presented in front of you, my logo and</p> <p>6 the name All Metal Sales, Incorporated, which</p> <p>7 I've had since 1999 with the State of Ohio.</p> <p>8 Q With the State of Ohio?</p> <p>9 A Correct.</p> <p>10 Q Do you have that same trademark with the U.S.</p> <p>11 Patent and Trademark Office?</p> <p>12 A Yes.</p> <p>13 Q You do. So if one went to the U.S. Patent and</p> <p>14 Trademark Office and looked under All Metal</p> <p>15 Sales, Inc., one would see that All Metal</p> <p>16 Sales, Inc. is trademarked with the U.S. Patent</p> <p>17 and Trademark Office. Is that your testimony?</p> <p>18 A There is a trademark pending from the U.S.</p> <p>19 Patent Office. I do have one with the State of</p> <p>20 Ohio since 1999.</p> <p>21 Q Yes, I heard that testimony, but now I'm asking</p> <p>22 about the Federal Government, the U.S. Patent</p> <p>23 and Trademark Office, asking if All Metal</p> <p>24 Sales, Inc. and the logo that you just pointed</p> <p>25 to is registered with the U.S. Patent and</p>	<p style="text-align: right;">36</p> <p>1 they? True?</p> <p>2 MR. CUPAR: Objection.</p> <p>3 Vague.</p> <p>4 Q Let me rephrase. Do you know of other</p> <p>5 companies with the name or the phrase All Metal</p> <p>6 in them, sir?</p> <p>7 A Yes.</p> <p>8 Q And can you estimate how many other companies</p> <p>9 there might be?</p> <p>10 MR. CUPAR: Objection.</p> <p>11 Vague as to estimate.</p> <p>12 Q Are you able to estimate the number of other</p> <p>13 companies?</p> <p>14 MR. CUPAR: Objection.</p> <p>15 Same objection.</p> <p>16 Q What's your answer? Yes or no. You aren't</p> <p>17 able to estimate or you are able to estimate?</p> <p>18 MR. CUPAR: Objection.</p> <p>19 Q Do you have an answer, sir?</p> <p>20 MR. CUPAR: Same</p> <p>21 objection.</p> <p>22 Q Even though there's an objection, you can</p> <p>23 answer if you're able to. Are you able to</p> <p>24 answer yes are no?</p> <p>25 MR. CUPAR: Hold on.</p>

<p style="text-align: right;">37</p> <p>1 Mr. Drain, let him think. You're asking him a 2 question. He needs to think. Relax. He'll 3 answer it. 4 MR. DRAIN: Well, I'll 5 give him time to think then. 6 MR. CUPAR: Okay. 7 A No, I'm not able to estimate. 8 Q Now, do you know what CCR is? 9 A No. 10 Q Do you know that there's a requirement to 11 register as a CCR in order to do business with 12 the Federal Government? 13 A Are you referring to a CAGE code? 14 Q I'm referring to -- 15 A Not an acronym (sic)? The proper terminology 16 for that -- I would like it if you don't speak 17 in acronyms. 18 Q I appreciate that. I don't like acronyms 19 either. Thank you. 20 So we're referring to the Central 21 Contractor Registration. Are you familiar with 22 that registration, sir? 23 A Is another name for that the CAGE code? 24 Q I don't know. I'm just asking you if you're 25 familiar with the Central Contractor</p>	<p style="text-align: right;">39</p> <p>1 A No. 2 Q All right. I'm going to hand you a document. 3 I ask you to identify it. 4 MR. DRAIN: Mark this, 5 please, as Defendant's Exhibit 2. 6 ----- 7 (Defendant's Exhibit No. 2 was marked.) 8 ----- 9 MR. CUPAR: Do you have a 10 copy for me? 11 MR. DRAIN: I'm sorry. I 12 don't. I can make copies, but I don't have 13 another copy. 14 MR. CUPAR: You're 15 supposed to bring one by local rule. 16 Let me see it. You can't talk to me. 17 What's the pending question? 18 BY MR. DRAIN: 19 Q Are you able to identify that document, sir? 20 MR. CUPAR: Have you ever 21 seen it before I guess. 22 A I've never seen it before. 23 Q Does it refresh your recollection as to the 24 CAGE code or registration of other companies 25 designated with the name All Metals or having</p>
<p style="text-align: right;">38</p> <p>1 Registration. 2 MR. CUPAR: Objection. 3 Vague. 4 Q Would the answer be yes or would the answer be 5 no? 6 A Are you referring to a CAGE code? If you're 7 going to ask me the question, be knowledgeable 8 about it. Is it the CAGE code or not? 9 Q Do you do business with the Federal Government? 10 A Yes, I do. 11 Q And is there a requirement to register with the 12 Federal Government? 13 A Yes; to have a CAGE code, there is. 14 Q All right. 15 A And I have one. 16 Q Now, do you know if there are other companies 17 that have such a code that do business with the 18 Federal Government whose companies are named 19 All Metals or have the phrase All Metals in 20 them? 21 MR. CUPAR: Hold on. 22 Objection only to the extent you know about 23 third parties and what they're doing. 24 A I don't know what they're doing. 25 Q Do you know?</p>	<p style="text-align: right;">40</p> <p>1 the phrase All Metal in their name? 2 MR. CUPAR: Objection as 3 he's never seen the document before. 4 MR. DRAIN: I'm asking if 5 it refreshes his recollection. 6 Q Does it, sir, or does it not? 7 A What's the question? 8 Q Does it refresh your recollection? 9 MR. CUPAR: As to what? 10 A I've never seen this document before. How can 11 it refresh my recollection if I've never seen 12 it before. 13 Q Well, that's what documents can do, sir. 14 MR. CUPAR: Object. 15 A I've never seen this document. 16 Q So you don't know basically is what you're 17 saying? 18 A I've never seen this document. 19 Q Now, has All Metal Sales or you individually 20 ever been sued before, sir? 21 A I've been sued? 22 Q Yes. Have you been sued? 23 A Yes. 24 Q In what instance or what case, if you recall? 25 A I believe you had a document earlier with the</p>

<p style="text-align: right;">41</p> <p>1 Clifton Park Trustees.</p> <p>2 Q So that's one. What was that suit about?</p> <p>3 A A patio.</p> <p>4 Q What about a patio? What was the issue?</p> <p>5 A When I purchased the land, there was a wood</p> <p>6 deck in the front of my house on common ground</p> <p>7 property that we were asked to maintain in</p> <p>8 exchange for a use of that land, and I tore out</p> <p>9 a dilapidated deck, it was caving in, and</p> <p>10 replaced it with brick pavers.</p> <p>11 And per the association's request,</p> <p>12 demands that you cannot improve upon the land,</p> <p>13 you can only maintain it, and by putting brick</p> <p>14 pavers down was considered an improvement, and</p> <p>15 I couldn't -- there were rotten boards that no</p> <p>16 one had maintained for many years, so I chose</p> <p>17 to put down pavers that could be removed and</p> <p>18 replaced if need be, and that's what the</p> <p>19 lawsuit was over.</p> <p>20 Q I see. Any other suits that you've been</p> <p>21 involved with?</p> <p>22 A The Clifton Lagoon Association.</p> <p>23 Q Is that the same suit or a different suit?</p> <p>24 A I'm guessing from what you're telling me that</p> <p>25 from -- from earlier, that it's a different</p>	<p style="text-align: right;">43</p> <p>1 Q So the answer's no?</p> <p>2 MR. CUPAR: He didn't</p> <p>3 answer yet.</p> <p>4 A Can you ask the question?</p> <p>5 Q Yes. The question was was there an allegation</p> <p>6 that your company, All Metal Sales, Inc.,</p> <p>7 violated the Fair Labor Standards Act.</p> <p>8 MR. CUPAR: Objection.</p> <p>9 Calls for a legal conclusion. Answer only if</p> <p>10 you know.</p> <p>11 A I don't know.</p> <p>12 Q What about the case Tausch versus All Metal</p> <p>13 Sales, Inc.? Do you recall that case?</p> <p>14 A I do.</p> <p>15 Q What was that case about?</p> <p>16 A What was the case about? That's the question?</p> <p>17 Q Yes, sir.</p> <p>18 A In a nutshell, it was about somebody that I had</p> <p>19 that believed felt they were going to be fired,</p> <p>20 so they used whatever way they could to save</p> <p>21 their job and be protected under the federal</p> <p>22 guidelines.</p> <p>23 Q Was there an allegation of sexual harassment</p> <p>24 there?</p> <p>25 A No, absolutely not.</p>
<p style="text-align: right;">42</p> <p>1 one. The Clifton Park, Clifton Lagoon, the</p> <p>2 Clifton Land Trustee, I wasn't familiar with</p> <p>3 the exact language they used for their official</p> <p>4 name, but the Clifton Lagoon Association and I</p> <p>5 have been in a lawsuit which is now over for</p> <p>6 several years regarding my driveway. The color</p> <p>7 of my driveway to be more specific.</p> <p>8 Q So that suit is closed; is it not?</p> <p>9 A That is closed.</p> <p>10 Q Any other lawsuits?</p> <p>11 A Not that I'm aware of.</p> <p>12 Q Were you involved in the case of McCarthy</p> <p>13 versus All Metal Sales, Inc., a case pending in</p> <p>14 U.S. District Court in 2010?</p> <p>15 A Oh, that's -- yes.</p> <p>16 Q What was that case about?</p> <p>17 A Hours and wages.</p> <p>18 Q What was the issue there?</p> <p>19 MR. CUPAR: Objection.</p> <p>20 Asked and answered.</p> <p>21 Q Well, let me be more specific, sir. Was there</p> <p>22 an allegation that your company violated the</p> <p>23 Fair Labor Standards Act?</p> <p>24 MR. CUPAR: Objection.</p> <p>25 Misrepresents that case.</p>	<p style="text-align: right;">44</p> <p>1 Q Was there an allegation of discrimination of</p> <p>2 any kind?</p> <p>3 MR. CUPAR: Objection to</p> <p>4 the extent it calls for a legal conclusion.</p> <p>5 Q You may answer.</p> <p>6 MR. CUPAR: Answer if you</p> <p>7 know.</p> <p>8 A No.</p> <p>9 Q There was no allegation of discrimination in</p> <p>10 that case to your knowledge?</p> <p>11 MR. CUPAR: Objection.</p> <p>12 Asked and answered.</p> <p>13 Q Do you have an answer, sir?</p> <p>14 A No.</p> <p>15 Q Are you familiar with the case of All Metal</p> <p>16 Sales, Inc. versus All Met Enterprises?</p> <p>17 A Yes.</p> <p>18 Q What was that case about?</p> <p>19 A That was about a vendor in London that stole a</p> <p>20 couple hundred thousand dollars from me and</p> <p>21 eventually returned the money.</p> <p>22 Q All right. Now, that case is closed; is it</p> <p>23 not?</p> <p>24 A He paid me. Daniel paid me 100 percent of the</p> <p>25 money.</p>

<p style="text-align: right;">45</p> <p>1 Q All right. So your company sued him; is that 2 right? 3 A Yes. 4 Q Or sued his company? 5 A Yes. 6 Q And what about the case of All Metal Sales, 7 Inc. versus MBM Tool and Machine Company, 8 Limited? What was that case about? 9 A They're one of my customers. They're located 10 in Canada and they owed me a lot of money. 11 Q How was that case concluded? 12 A They paid me every penny they owed me, 13 100 percent of it. 14 Q Do you recall being involved in the case of 15 Corcoran Tile and Marble versus DLA Services, 16 LLC? 17 A DLA and Corcoran Tile, DLA was my construction 18 manager and Corcoran Tile did tile work at my 19 residence. 20 Q And what was the case about? What was the 21 issue? 22 A Faulty workmanship. 23 Q Is that case concluded? 24 A Yes, it is. They fixed everything. 25 Q Do you recall the case of Bradford Products,</p>	<p style="text-align: right;">47</p> <p>1 Bob is the president. Bob was named when I 2 sued the Clifton Lagoon Trust. He was also 3 named as a party in that lawsuit. 4 Q Now, do you have any outstanding judgment liens 5 or unpaid taxes at this time, sir, either you 6 individually or your company? 7 A My company does not, but I'm fighting with the 8 state right now over me overpaying taxes for 9 one year and the state is owed for another 10 year, so my CPA is handling so that they almost 11 balance each other out almost within \$1,000. 12 MR. CUPAR: Hold on. 13 Before you go any further, let's take a break. 14 Five minutes? 15 MR. DRAIN: Sure. 16 (Short break taken.) 17 BY MR. DRAIN: 18 Q You recall, Mr. Klocker, that you're still 19 under oath. We're back on the record after a 20 break. 21 I was asking you about a judgment lien 22 filed in Cuyahoga County by the State of Ohio, 23 Department of Taxation in the amount of 24 \$171,239.11. Are you familiar with that 25 judgment entry?</p>
<p style="text-align: right;">46</p> <p>1 LLC versus Thomas G. Klocker? 2 A Yes. They fixed everything. 3 Q I'm sorry. Let me ask the question, finish the 4 question first, sir. 5 MR. CUPAR: Just hold on. 6 Q What was the case about, if you know? 7 A Did not supply a list of materials that were 8 per the quote in negotiations. 9 Q Who did not supply that? 10 A Bradford Products did not supply all of the 11 materials that were on the quote. 12 Q Now, they sued you. Why did they sue you? 13 A Because I didn't pay them their retainage, the 14 retainage that I held against their contract 15 until I got my goods. When I got my goods, I 16 paid them. It's clear. 17 Q And then the case was closed? 18 A Closed. 19 Q Now, there's a case of Thomas G. Klocker versus 20 Robert Zeiger. Are you familiar with that 21 case, sir? 22 A Yes. 23 Q What was that case about? 24 A Robert Zeiger was the president of the 25 association where I live, Clifton Lagoon Trust.</p>	<p style="text-align: right;">48</p> <p>1 A Yes. 2 Q And is that the tax dispute that you testified 3 to a minute ago -- 4 A No. 5 Q -- regarding your account and clearing 6 something up? 7 A No. 8 Q What is the nature of that judgment lien? 9 A The one -- which one are you referring to? 10 This one that you have in your hand right 11 there? 12 Q Yes, sir. 13 A The 171,000? 14 Q Yes, sir. 15 A A use tax issue. 16 Q Oh, a use tax issue? 17 A Yes. 18 Q Can you tell us what the dispute is about? 19 A One has been resolved 100 percent which you're 20 probably aware of. A use tax is for using Ohio 21 waterways for the way it applied to me. It's a 22 use tax. 23 Q I'm not clear. Can you clarify that, explain 24 that a little better? 25 MR. CUPAR: Objection. I</p>

<p style="text-align: right;">49</p> <p>1 mean what --</p> <p>2 Q Why did the State of Ohio put a judgment</p> <p>3 against you for \$171,239.11?</p> <p>4 A Because we had a disagreement on whether or not</p> <p>5 it was appropriate for me, selective</p> <p>6 prosecution.</p> <p>7 Q So the State of Ohio selectively prosecuted you</p> <p>8 for use tax; is that it?</p> <p>9 A That is correct.</p> <p>10 Q And arising out of what transaction or</p> <p>11 occurrence or circumstance, if you know?</p> <p>12 MR. CUPAR: Objection.</p> <p>13 Vague.</p> <p>14 Q Do you know?</p> <p>15 A Can you rephrase the question?</p> <p>16 Q Why did the State of Ohio come after you</p> <p>17 selectively?</p> <p>18 A For a purchase I made.</p> <p>19 Q A purchase of what?</p> <p>20 A A boat.</p> <p>21 Q How much was the boat? How much did the boat</p> <p>22 cost?</p> <p>23 MR. CUPAR: Objection.</p> <p>24 Irrelevant. Relevance. And is this about the</p> <p>25 company or him personally? Just so I'm clear</p>	<p style="text-align: right;">51</p> <p>1 Q On your real estate taxes?</p> <p>2 A As far as I know.</p> <p>3 Q If the records show that there's a delinquency</p> <p>4 there, would that be accurate?</p> <p>5 A I have no idea.</p> <p>6 Q All right. So you --</p> <p>7 A My CPA pays a lot of my stuff. I've been out</p> <p>8 of the country for a lot in the last several</p> <p>9 weeks and they take care of my taxes.</p> <p>10 MR. CUPAR: Mr. Klocker,</p> <p>11 make sure you just answer the question in front</p> <p>12 of you.</p> <p>13 THE WITNESS: Sure. Sure.</p> <p>14 Q Does the company All Metal Sales, Inc. have any</p> <p>15 long-term liabilities?</p> <p>16 MR. CUPAR: Objection.</p> <p>17 Vague.</p> <p>18 Q Do you know?</p> <p>19 A What's your question?</p> <p>20 Q Does the company All Metal Sales, Inc. have any</p> <p>21 long-term liabilities?</p> <p>22 A Can you be more clear?</p> <p>23 Q Yes. If you were to refer to your financial</p> <p>24 statements that your CPA prepares, there's a</p> <p>25 line item on them for long-term liabilities.</p>
<p style="text-align: right;">50</p> <p>1 what you're asking about.</p> <p>2 MR. DRAIN: Oh, this is</p> <p>3 about him personally.</p> <p>4 MR. CUPAR: Okay.</p> <p>5 Objection to relevance then.</p> <p>6 Q So you personally bought a boat and the State</p> <p>7 of Ohio came after you to impose a use tax; is</p> <p>8 that correct, sir?</p> <p>9 A No.</p> <p>10 Q What is correct?</p> <p>11 A Nothing what you just said.</p> <p>12 Q Well, then help me out here. Why did the State</p> <p>13 of Ohio come after you for a use tax?</p> <p>14 A For selective prosecution.</p> <p>15 Q Right. That's a conclusory statement. So why</p> <p>16 did the State of Ohio come after you for a use</p> <p>17 tax? Did you do something?</p> <p>18 MR. CUPAR: Objection.</p> <p>19 Calls for speculation. If you know why the</p> <p>20 State of Ohio went after you, if you're the</p> <p>21 State of Ohio, you can answer it, otherwise --</p> <p>22 A I'm not the State of Ohio.</p> <p>23 Q Are you current in your taxes on Beach Road,</p> <p>24 sir?</p> <p>25 A Yes.</p>	<p style="text-align: right;">52</p> <p>1 Do you know if the company All Metal Sales,</p> <p>2 Inc. has any long-term liabilities?</p> <p>3 A None.</p> <p>4 MR. CUPAR: Hold on.</p> <p>5 Objection, and I'm going to put this deposition</p> <p>6 transcript under Attorneys' Eyes Only,</p> <p>7 Confidential.</p> <p>8 MR. DRAIN: Why are you</p> <p>9 doing that?</p> <p>10 MR. CUPAR: Because</p> <p>11 you're asking about specific financial</p> <p>12 information about his business. It's trade</p> <p>13 secret.</p> <p>14 MR. DRAIN: Well, nothing</p> <p>15 prejudicial if he doesn't have any long-term</p> <p>16 liabilities. He just answered he doesn't have</p> <p>17 any.</p> <p>18 MR. CUPAR: Yes, but</p> <p>19 you're going in a route where I think you're</p> <p>20 going to ask further question, and I'm also</p> <p>21 going to ask your client to leave the room if</p> <p>22 you continue with these questions.</p> <p>23 BY MR. DRAIN:</p> <p>24 Q Now, All Metal Sales, Inc., is it under water</p> <p>25 at the present time?</p>

<p>53</p> <p>1 MR. CUPAR: Objection.</p> <p>2 Q What's your answer?</p> <p>3 A No.</p> <p>4 Q How many cars does All Metal Sales, Inc. own?</p> <p>5 Do you want me to repeat the question?</p> <p>6 A Yes.</p> <p>7 Q How many cars does All Metal Sales, Inc. own?</p> <p>8 MR. CUPAR: Objection.</p> <p>9 Relevance.</p> <p>10 Q You may answer.</p> <p>11 A I'm not sure.</p> <p>12 Q Does it own one?</p> <p>13 A I'm not sure.</p> <p>14 Q Could it own more than one?</p> <p>15 A It could.</p> <p>16 Q But you don't know?</p> <p>17 A No.</p> <p>18 Q I see. How many cars do you own?</p> <p>19 MR. CUPAR: Objection.</p> <p>20 Relevance. This is a trademark dispute.</p> <p>21 Q Do you have an answer?</p> <p>22 A I don't know.</p> <p>23 Q All right. You don't know how many cars the</p> <p>24 company owns and you don't know how many cars</p> <p>25 you own. Are those your answers?</p>	<p>55</p> <p>1 Mr. Klocker, your father, that you were going</p> <p>2 to make sure that the defendant, All Metal</p> <p>3 Source, spent all of its money and would go out</p> <p>4 of business? Do you remember having such</p> <p>5 conversation?</p> <p>6 MR. CUPAR: Objection.</p> <p>7 A No.</p> <p>8 Q Did you ever say in that conversation or</p> <p>9 otherwise that you did not want the defendant</p> <p>10 All Metal Source, LLC to be in business at all?</p> <p>11 MR. CUPAR: Objection.</p> <p>12 Hearsay.</p> <p>13 A Incorrect.</p> <p>14 Q What is correct?</p> <p>15 MR. CUPAR: Same</p> <p>16 objection.</p> <p>17 Q What's your answer, sir?</p> <p>18 A As long as the name wasn't replicating, copying</p> <p>19 my name, I was fine with whatever Jessica</p> <p>20 Esparza did, but I did not want her copying my</p> <p>21 name.</p> <p>22 Q I see.</p> <p>23 A And I specifically stated that if he was okay</p> <p>24 with it, why doesn't she take his company's</p> <p>25 name.</p>
<p>54</p> <p>1 MR. CUPAR: Tom, if you</p> <p>2 know, you can answer. Go ahead.</p> <p>3 A I don't know which ones are in what names.</p> <p>4 Q Do you or your company own a Rolls-Royce?</p> <p>5 A No.</p> <p>6 Q Do you or your company own a Bentley?</p> <p>7 MR. CUPAR: Objection.</p> <p>8 Relevance.</p> <p>9 Q Do you want me to repeat the question?</p> <p>10 A Sure.</p> <p>11 Q Do you or your company own a Bentley?</p> <p>12 A No.</p> <p>13 Q Do you or your company own an Escalade?</p> <p>14 A No.</p> <p>15 Q What kind of car do you drive, sir?</p> <p>16 MR. CUPAR: Objection.</p> <p>17 Relevance. I'm going to have to stop you here.</p> <p>18 Why are you asking about his cars personally?</p> <p>19 What's the point of this to this dispute? I'd</p> <p>20 love to know that.</p> <p>21 MR. DRAIN: Okay. I'll</p> <p>22 withdraw that line of questioning.</p> <p>23 Q Sir, do you recall having a conversation on the</p> <p>24 phone with your father, Thomas Paul Klocker, on</p> <p>25 or about September 17th, 2009 in which you told</p>	<p>56</p> <p>1 Q So to the question as to whether you were going</p> <p>2 to crush the defendant and put her out of</p> <p>3 business, what is your answer? Did you ever</p> <p>4 make such a statement, sir?</p> <p>5 MR. CUPAR: Hold on,</p> <p>6 Elaine. Let me put my objections in.</p> <p>7 Objection. Misleading. Objection. Vague.</p> <p>8 Objection. Asked and answered.</p> <p>9 Q What's your answer, sir?</p> <p>10 A No.</p> <p>11 MR. CUPAR: And</p> <p>12 objection, hearsay, too.</p> <p>13 Q So did you ever make a statement that you were</p> <p>14 going to spend all of your money to make sure</p> <p>15 that All Metal Source goes out of business?</p> <p>16 A No.</p> <p>17 MR. CUPAR: Objection.</p> <p>18 Asked and answered. Hearsay. Same objections.</p> <p>19 You can answer.</p> <p>20 A No. Nope.</p> <p>21 Q Now, are you familiar with a U.S. Navy</p> <p>22 procurement person by the name of Garcia</p> <p>23 Coolidge?</p> <p>24 A Are you sure you have her name correct?</p> <p>25 Q Well, I believe I do.</p>

<p style="text-align: right;">57</p> <p>1 MR. CUPAR: Mr. Klocker, 2 just answer the question. 3 A Yes. 4 Q And to your knowledge, had this person whom 5 I've identified as Ms. Garcia Coolidge 6 mistakenly called the defendant All Metal 7 Source, LLC when it was trying to contact your 8 company? Do you have knowledge of such an 9 event? 10 A Yes, I do. 11 Q What is your understanding as to what happened 12 there? 13 A Mrs. Coolidge, a purchasing agent for the U.S. 14 Navy, made repeated attempts to contact my 15 salesman via e-mail and via phone calls to 16 Jessica Esparza's company, All Metal Source. 17 Mrs. Coolidge asked Jessica on numerous 18 occasions, "I'd like to speak with Jim. He 19 provided me a quote." Jessica was given 20 numerous opportunities to say "That is not" -- 21 "I don't have any employees, that you're 22 mistaking and confusing my business with 23 somebody else's business." 24 Mrs. Coolidge contacted our company and 25 said, "I'm confused. What's going on here? I</p>	<p style="text-align: right;">59</p> <p>1 A Yes. 2 Q Now, you're familiar with the defendant All 3 Metal Source, LLC also known as A Metal Source, 4 LLC; are you not? 5 A Yes. 6 Q In fact, that's the defendant in this lawsuit; 7 is it not? 8 A Correct. 9 Q And do you know, other than Ms. Coolidge's act 10 of confusion, of other instances in which 11 procurement people or purchasing agents or 12 other companies have been confused between your 13 company and the defendant's company? 14 A Yes. 15 Q Could you elaborate on that? Can you tell us 16 the specific instances of confusion? 17 A Sure. We have received numerous quotes from 18 our vendors that will have All Metal Source, 19 Jessica's company, listed with our toll free 20 numbers listed. They'll have mismatched 21 address, phone numbers and names, and quotes 22 will come over for things that we did not 23 solicit pricing for. A company called Elgiloy. 24 Q Spell that, please. 25 A E-l-i-g-a-l-y (sic) or o-l-y, Elgiloy. They're</p>
<p style="text-align: right;">58</p> <p>1 have a quote from your company, All Metal 2 Sales, Incorporated, from your salesman who 3 I've worked with in the past, Jim, and I'd like 4 to purchase this material, but I'm speaking to 5 someone that is very rude to me at All Metal 6 Source and I'm very confused at what's going on 7 here." 8 And she finally got in touch with the 9 proper company that quoted her, which she had 10 the quote, said Jessica had asked for her to 11 either e-mail or fax over the quote so she 12 could see what it was. 13 And then my employees told me about this 14 and I contacted the U.S. Navy, spoke with 15 Mrs. Coolidge about this issue and said, "I'm 16 sorry. We'd be happy to sell this material to 17 you. You know, I don't understand the confusion. 18 I didn't know about this. I'm sorry about the 19 confusion. That's not the customer service 20 that you're used to dealing with my company," 21 and that's it. 22 Q So apparently this person whom you refer to as 23 Ms. Coolidge was confused about which company 24 she was dealing with. Is that true to your 25 understanding?</p>	<p style="text-align: right;">60</p> <p>1 in Illinois. It's for some hastelloy foil 2 which we contacted Elgiloy, explained this is 3 not our company and, you know, get in touch 4 with Jessica, but we didn't solicit this quote. 5 We've had numerous customers and 6 potential customers send us over requests for 7 quotes with either Jessica's name on it or her 8 company's name with our toll free number, and 9 those I believe -- I don't know if you've seen 10 them or not, but we have them. We have copies 11 of multiple ones and -- 12 Q All right. So if I understand your testimony 13 correctly, your company, All Metal Sales, Inc., 14 has been in receipt of numerous quotes or 15 solicitations for quotes that your company 16 actually didn't solicit; is that correct? 17 A Quotes. 18 Q Quotes. 19 A And we fax them back and say wrong company, 20 send them right back. 21 Q All right. And you said there were numerous 22 quotes. Can you tell us how many quotes would 23 fit into that category? 24 A Don't have an exact number. It's happened on 25 and off for the last, I don't know, year plus.</p>

<p style="text-align: right;">61</p> <p>1 Q All right. And you indicated that there are</p> <p>2 writings that reflect these numerous quotes.</p> <p>3 Do you have such writings?</p> <p>4 A Yes.</p> <p>5 Q Are they located here today or are they at your</p> <p>6 principal place of business?</p> <p>7 A They have been scanned and e-mailed to my</p> <p>8 attorney.</p> <p>9 Q All right. Does your attorney have possession</p> <p>10 of these quotes that you just referred to?</p> <p>11 MR. CUPAR: Objection.</p> <p>12 Q If you know.</p> <p>13 MR. CUPAR: If you know.</p> <p>14 A Should have, but I don't know. I would hope</p> <p>15 so.</p> <p>16 Q You e-mailed those to your attorney; is that</p> <p>17 correct?</p> <p>18 A Correct.</p> <p>19 Q And what number are we talking about? How</p> <p>20 many, if you know?</p> <p>21 A You asked me that a couple minutes ago and I</p> <p>22 said I don't know. Numerous.</p> <p>23 Q All right. So these were quotes that came your</p> <p>24 way. What about quotes or solicitations for</p> <p>25 quotes that might have come to the defendant?</p>	<p style="text-align: right;">63</p> <p>1 a vendor, with a customer; they've been</p> <p>2 confused as far as which one and they've</p> <p>3 rattled off different locations, because</p> <p>4 Jessica Esparza's company, All Metal Source, is</p> <p>5 in the same city as mine, in Westlake, Ohio.</p> <p>6 When they look it up in their database,</p> <p>7 when they start typing in that A-I-I and Metal,</p> <p>8 both of our companies come up. And they ask</p> <p>9 for "Which location are you at?", and then I --</p> <p>10 or I and my employees state, "We only have this</p> <p>11 one location in Westlake. This is us. This is</p> <p>12 somebody that's copying our business."</p> <p>13 Because they ask, "Where do we send the</p> <p>14 quote? Where do we send the purchase order?</p> <p>15 Where do we send it to?". And they have both</p> <p>16 in their database, and that is why we're in a</p> <p>17 lawsuit today is because of this confusion.</p> <p>18 Q Well, aside from the confusion, do you have</p> <p>19 evidence of lost sales or lost business as a</p> <p>20 result of any things you just testified to?</p> <p>21 MR. CUPAR: Objection.</p> <p>22 Vague. Calls for legal conclusion.</p> <p>23 Q Do you have an answer to that question, sir, as</p> <p>24 to whether you've lost any sales?</p> <p>25 MR. CUPAR: Same</p>
<p style="text-align: right;">62</p> <p>1 In other words, somebody was asking for a quote</p> <p>2 from All Metal Sales, Inc., but instead, it</p> <p>3 went to All Metal Source or A Metal Source,</p> <p>4 LLC. Do you know of any transactions like</p> <p>5 that?</p> <p>6 A Yes.</p> <p>7 Q How many?</p> <p>8 A One specifically for sure because you just</p> <p>9 asked me about it, a Mrs. Coolidge from the</p> <p>10 U.S. Navy for sure.</p> <p>11 Q Okay. Do you know of any others?</p> <p>12 A No.</p> <p>13 Q All right. So other than the numerous quotes</p> <p>14 that came your way that weren't solicited by</p> <p>15 you and the one instance of the U.S. Navy</p> <p>16 person that solicited defendant's company</p> <p>17 instead of yours, do you know of any other</p> <p>18 instances of confusion arising from the names?</p> <p>19 A Yes.</p> <p>20 Q Tell us about those.</p> <p>21 A When my employees and myself have been on the</p> <p>22 phone with various customers and vendors, they</p> <p>23 have asked "Which one is this, All Metal Source</p> <p>24 or All Metal Sales?". We call to follow up on</p> <p>25 a quote, we call to follow up with a quote with</p>	<p style="text-align: right;">64</p> <p>1 objection and answer only if you know.</p> <p>2 A I don't know.</p> <p>3 MR. DRAIN: Okay. That</p> <p>4 concludes my questioning, Mr. Klocker, at this</p> <p>5 time. Your attorney will explain your rights</p> <p>6 so far as your ability to read the transcript</p> <p>7 of the deposition.</p> <p>8 THE WITNESS: Are these</p> <p>9 documents for me?</p> <p>10 MR. CUPAR: We're done.</p> <p>11 THE WITNESS: Are these for</p> <p>12 you?</p> <p>13 MR. CUPAR: They're for</p> <p>14 the court reporter.</p> <p>15 -----</p> <p>16 (The deposition concluded at 11:25 a.m.)</p> <p>17 -----</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>

RE: All Metal Sales, Inc. v. A Metal Source, LLC f/d/b All Metal Source, LLC Case # 1:10-CV-02343

I would like to tell you some important information and history about all of us as a family and as well as our line of business. I am Thomas Paul Klocker, father of Thomas Gerald Klocker or "Tommy", the Plaintiff, and step-father of Jessica Esparza, the Defendant.

First off, I must say that I am the President / Owner of Midwest Metals, Inc. a metal distribution company I started in 1978 after working for Chase Brass & Copper, Inc. I started and operate my business in my home in the city of Westlake where to this day, is still located in my home. When I first started my business over 33 years ago, I established myself the old fashion way by working hard. We could only communicate through the phone and postal mail, and we operated on typewriters because in those times, there were no faxes or computers. The introduction of faxes became a very useful tool and was a big deal decades ago for our line of business, just as electronic email and the internet is today.

I established very good business relationships with both my customers and vendors from the ground up and maintained a mutual beneficial relationship with each and every one of them over the years. I have been extremely fortunate to have had such a success story in starting a business from scratch and lasting as long as I have. My hard work is the reason my business has grown and has been successfully operating for over three decades.

My success allowed me to spoil my son, Tommy, the Plaintiff while growing up even though his mother and I had divorced when he was very young. But ever since Tommy was young, he has always been a problem child for me, long before Rocio and her family ever came into my life. My son, Tommy, was so out of control that I was forced to send him to military school at Howe Military School in Indiana. Somehow he got through military school but while attending Bowling Green State University, Tommy was thrown out of school due to academic failure.

Tommy eventually applied himself more into marine maintenance where he would clean other peoples' boats, or he would make repairs on the boats, or he would transport the boats, or prepare the boats for winter. In 1993, my son was arrested in Lakeside-Marblehead for stealing boat parts from the very same boats he was taking care of. To top things off, my son stored these stolen parts in my home in Marblehead without my knowledge. The worst of it all was that when he was arrested, he was charged as Thomas Klocker and the home address he gave the Police was my own address instead of his. This caused a widespread humiliation for me as it was printed in the newspapers and is public records. My own neighbors, my friends and everyone who knew me or knew of me believed that I was the one that had committed the crime when it was actually my son, Tommy. This incident lead me to have the serious discussion with my son, that from then on he was to always refer himself as Thomas Gerald Klocker or Thomas G. Klocker or Tom G. Klocker making it clear that he and I are two different people.

I met my wife, Rocio Sanjuan, in Boca Raton, Florida in 1993 when I was on vacation visiting my family for Christmas that coincidentally lived in the same city as did Rocio. I was very interested in getting to know her better and for some time, I called Rocio trying to convince her to come visit me in Ohio but she refused to come, so I began to visit her in Florida.

When I first met Rocio, I was not use to her broken English and at times, it was hard understanding her but we managed. Now, 19 years later, her English is still broken but it has gotten better and it is much easier for me to understand her. Sometimes others cannot understand her because of her accent and the speed she is speaking in and I then become her translator. When I met Rocio, she had 2 daughters, Karla and Jessica, the Defendant and in 1993 Karla was 20 years old meanwhile Jessica was 12 years old. Rocio and Karla moved in with me in Westlake, Ohio and months later, Jessica moved in with me as well. My son, Tommy, the Plaintiff, at the time was 24 years old but he did not live with us whatsoever as he had his own condo in Lakeside-Marblehead at the time.

My son has done everything in his power to make life a living hell for me, for Rocio, for Karla, and for Jessica. My son has been nothing but a complete nuisance and a monster for all of these years. My wife as you can see is Hispanic and has a dark skin complexion. This has always been an issue with Tommy. Back then and to this day, when my wife and I run into my son in public, my son constantly yells at my wife the racial "N" word or the "F" "B" words and repeatedly tells her to leave and go back to Colombia. My son has threatened to kill my wife on more than one occasion. My son has attempted to have my wife arrested, not once, but two times. In the mid 1990's Tommy told the Westlake Police that my wife, Rocio, was going to kill me with a pellet gun that he thought was a real gun. The other incident was in November 2009 when Tommy told the Westlake Police that my wife, Rocio, had killed me and that my dead body was in the basement of our home. Tommy had told the Westlake Police that

Rocio had killed her previous three (3) husbands, which is completely false as Rocio was a single mother of two (2) and her first and her only marriage has been with me, Thomas Paul Klocker.

My son goes around telling negative things to others about my wife, meanwhile, my wife has done nothing to him. My wife, Rocio, got him a ticket to Rio De Janiero, Brazil when I had told her specifically not to, but the three (3) of us had a great time on the vacation. Jessica was supposed to go with us but she was not able to take such a long time off from high school. Tommy had, had the misfortune of being arrested for receiving oral sex from a female illusionist in public at Mardi Gras in the Rio De Janiero. Other than this humiliating incident in Brazil, Tommy, Rocio and I had a wonderful time together golfing, boating, swimming, visiting important sites and enjoying the food and culture.

The only other times my son has been pleasant with my wife was 1) When Tommy wanted to take Rocio's daughter Karla out, 2) When Tommy wanted to date two (2) of Rocio's friends from her English school, 3) When Tommy wanted something out of me, he would use Rocio and go through her, to get me to give my son whatever it was he wanted at the time, and again 4) When I paid him large amounts of money, every month, to be nice to Rocio, my wife.

At some point in the early months of 1993, Rocio's daughter Karla at the age of 19 began working for me at Midwest Metals as one of my secretaries. Karla worked hard for me and helped me through a business crisis I had years ago and she respectfully worked for me until she moved to New York to start a family in 1996. Rocio's other daughter Jessica at the age of 14 began working for me after school in 1995 to help my secretaries with their paperwork, including Tommy's paperwork. She was quite handy because she was of the computer generation and at the time I implemented computers into my office at Midwest Metals, my secretaries were not computer literate. Jessica was computer savy and was very efficient.

After Tommy came out of jail for the crime he had committed for stealing the boat parts, he continued working in the marine business for another 3 years until he asked if he could work for me at Midwest Metals. My son worked at my business for a total of three (3) years from 1996 until he resigned in 1999 to which I was led to believe that he had gone back to marine maintenance. While employed at Midwest Metals, I had to pay my son a couple of thousand dollars at a time for him to be nice to Rocio, to Karla and to Jessica when he would interact with them as my business was in my home; and there were obvious times they would come in contact with each other. After paying him, he would be nice to them for a little while or sometimes just for a couple of days until he began his tantrum again and I would then have to cut him another check. This repetitive disrespectful behavior and outright extortion from my own son, lasted up until he left my business in 1999. For the record, Tommy's way of being nice to Rocio, to Karla and to Jessica was to completely ignore them, or avoid being around them

and not say a single word to them. Tommy caused problems at Midwest Metals when he physically assaulted one of my other employees [Lara] and because of this incident by my son, my company almost faced a possible lawsuit.

In the time Tommy was still working for me at Midwest Metals, I was notified by a couple of individuals that my son had started his own metal distribution business. Two of the women my son dated told my wife that Tommy was operating his business from the home he lived in, that I was paying his rent for, in Lakewood. Needless to say, I did not believe the news I was being given. Rocio's own daughter, Karla was telling me that Tommy was running his metal business within Midwest Metals but I didn't believe her either. Only when the UPS delivery driver told me that he had just made some deliveries at my son's business, did I truly believe that my son had become my competitor. Not only did he operate his own business from within my company, Tommy used Midwest Metals company checks to pay for the "off-the-radar orders" he processed and diverted to his own business, All Metal Sales, Inc. My son stole additional company checks to pay himself extra while in my absence to top things off. This was not a small amount of money we are talking here. We are talking several of thousands of dollars. My accountant and I discovered my son's mischievous actions only after Tommy was no longer employed by Midwest Metals.

I later discovered that my son, Tommy, was visiting my customers and presenting himself to them as Thomas Klocker or Tom Klocker, President of Midwest Metals, Inc. My son told my customer's that the company was going under a business name change to All Metal Sales, Inc. and that the new business location was in Avon, Ohio; which is where Tommy had his first warehouse before relocating to Westlake. Before my son Tommy officially resigned from Midwest Metals and while still working for me, he had long before established All Metal Sales, Inc. and he was diverting Midwest Metals business to All Metal Sales, Inc. I lost a lot of my key customers and the repeat orders to my son that I had worked very hard to develop over the years that fueled my business.

Tommy and the success of his business All Metal Sales, Inc. derived from the hard work my business had established with my customers that was outright stolen from Midwest Metals. Stealing prime and repetitive business from Midwest Metals paved the way much too easily for my son the millionaire. My son became a millionaire from one night to the other and he has been living the grand lifestyle that he believes he worked hard for although only a few know the factual truth of my son's success. Taking a look at my son's lifestyle, his possessions people wonder, "How the hell did this guy become so successful?" I ask myself, after taking all of my business and my son's continued extravagant purchases, when will his parade end. My wife and I have been saying for several years that he is burning

through his money faster than he is making it, and that one day his finances will catch up to him. Other mutual acquaintances have commented the same with regards to my son and his lifestyle.

Jessica graduated in 2005 from Bowling Green State University where she was studying to become a doctor while also working for Midwest Metals part time on school breaks or long weekends. At that same time period, Midwest Metals had experienced some changes and was in need of personnel. Instead of going to medical school at Case Western Reserve as she had planned, she continued to work for my company, Midwest Metals due to my business losing key veteran employees. Jessica became Midwest Metals main employee and she managed the duties and responsibilities herself, that I use to have five (5) employees perform. Jessica had become a valuable part of my business and worked for Midwest Metals for 14 years up until June of 2009. Five (5) months later, Jessica opened her own metal business under the name All Metal Source, LLC. She too has started her business in her home just as I did 33 years ago.

The home I used to rent for Tommy in Lakewood, he has since then purchased along with purchasing the home right next to it combining the two (2) homes as one. Tommy had an expensive, extensive and extravagant remodeling project on his home in 2005. This remodeling project has lead to a legal battle that my son has been battling for years now, against the residential community he lives in which involves a dispute over the color of brick used on the strip of property Tommy claims to be the owner of. The final outcome of the all the cases were not in my sons' favor and he is now responsible for the court costs and attorney's fees of all the failed cases and their appeals as the final decision made from the Ohio Supreme Court in April of 2011. My son had told me that he had spent almost two-hundred thousand dollars on lawyers for these cases he lost.

My son then bragged that he was prepared to spend a lot more money than that on legal fees to make sure Jessica, the Defendant, is put out of business. Furthermore, my son shared with me that ten (10) years ago a successful businessman, Tommy's landlord at some point in time, told him, "Don't be afraid to sue people and or to sue as many people as you can as this will make you successful. For example, you get an oil change for your car, sue or threaten to sue the mechanic for a scratch on the car hood and they will settle to any of your demands. This way you make out because most people can't afford lawsuits, therefore getting anything you want from them." This is exactly what Tommy is doing with the lawsuit against Jessica. He is abusing the courts to take advantage of Jessica. Tommy has financial responsibilities to his failed lawsuit attempts and I am most certain that his case against Jessica is more of a way to get money from her that way he can pay his own debt, while still succeeding in destroying her business.

I did my best raising my son as his mother and I had divorced when he was extremely young. But the truth of the matter is, I want you to see my son, Tommy, the Plaintiff and the owner of All Metal Sales, Inc. for the monster that he is. If you have not established from my letter today as well as the evidence from this case that are truthful and factual, that my the Plaintiff is selfish, he is arrogant, he is racist, he is deceitful and conniving, he is cruel and he is vindictive. He is a monster and I have been saying this for way too long.

I firmly believe that my son Thomas G. Klocker or "Tommy" should be held fully responsible for paying Jessica Esparza's court costs, attorney's fees, compensatory damages and any further relief the Courts deem appropriate. This lawsuit has absolutely nothing to do with regards to Trademark infringement, nor does it have to do with unfair competition, but instead this lawsuit is derived from Tommy's extreme hatred and vengeance towards Jessica. This case is only being pursued by my son Tommy in the hopes to destroy my daughter Jessica Esparza. My son continues to cause an immeasurable amount of pain and suffering to Jessica emotionally, financially and spiritually.

This matter is before the Court on Plaintiff's Renewed Motion for Judgment as a Matter of Law or, for a New Trial (ECF #71). On January 5, 2012, after a two day trial, the twelve member Jury returned unanimous Interrogatory Answers finding that Plaintiff had not demonstrated the elements necessary for its claims of unfair competition under the Lanham Act, 15 U.S.C. § 1125(a)(1))A); violation of the Ohio Deceptive Trade Practices Act, Ohio Rev. Code § 4165.01 et. seq.; unfair competition; and unjust enrichment all based upon Defendant's alleged infringement of Plaintiff's trademark "All Metal" and its A Logo

The Jury, in open court, returned the following unanimous Answers to Interrogatories:

NO (insert in ink "YES" or "NO" according to your findings)

The Court accepted the Jury's Answers and entered Judgment in favor of Defendant on Plaintiff's Complaint. Plaintiff now moves for judgment as a matter of law that: (1) Plaintiff's ALL METAL trademark has secondary meaning; (2) Defendant's use of the "All Metal" term in its first business name All Metal Source, LLC, infringed Plaintiff's ALL METAL mark in violation of the Lanham Act, Ohio's Deceptive Trade Practices Act and unfair competition law; and (3) that Defendant's use of "A Metal Source, LLC" as its second business name infringed Plaintiff's ALL METAL mark in violation of the Lanham Act, Ohio's Deceptive Trade Practices Act and unfair competition law.¹ Plaintiff states that it no longer seeks money damages, only a judgment of infringement and a corresponding permanent injunction.

STANDARD OF REVIEW

Fed.R.Civ.P. 50(b) provides that if a court does not grant a motion for judgment as a matter of law made after the close of all the evidence and the party renews its request after a verdict is returned, the court may (1) allow the judgment to stand, (2) order a new trial, or (3)

¹ Somewhat confusingly, Plaintiff states "All Metal no longer seeks money damages and, as such, does not seek judgment as a matter of law or a new trial on damages. All Metal seeks only a judgment of infringement and a corresponding permanent injunction." (ECF #71 at 1) However, it is unclear how seeking a "judgment" differs from judgment as a matter of law and Plaintiff does not provide any clarification. The Court will not re-address a summary judgment issue at this late juncture, and will treat Plaintiff's motion as one for judgment as a matter of law pursuant to Fed. R. Civ. P. 50(b). Further, despite the quoted statement above, in its conclusion in its Reply Brief, Plaintiff requests the alternative relief of a new trial.

direct entry of judgment as a matter of law. The “standard for granting a renewed motion for judgment as a matter of law under Rule 50(b) is precisely the same as the standard for granting the pre-submission motion.” Wright & Miller, *Federal Practice and Procedure: Civil* 2d § 2537, p. 347 (footnote omitted).

That is, judgment as a matter of law may be granted when “a party has been fully heard on an issue and there is no legally sufficient evidentiary basis for a reasonable jury to find for that party on that issue.” *Imwalle v. Reliance Medical Products, Inc.*, 515 F.3d 531, 543 (6th Cir. 2008)(citing *Reeves v. Sanderson Plumbing Prods., Inc.*, 530 U.S. 133, 149 (2000); see also Fed. Civ. R.50(b). “The Court is not free to weigh the parties’ evidence or to pass upon the credibility of witnesses. Nor may the Court substitute its own judgment for that of the jury.... When the evidence would permit reasonable minds to differ on the issues decided, a motion for judgment as a matter of law must be denied. In short, every effort must be made to uphold the verdict if reasonably possible.” *In re Scrap Metal Antitrust Litigation*, No. 1:02 CV 0844, 2006 WL 2850453, at *8 (N.D. Ohio Sept. 30, 2006).

The application of Fed. Civ. R.59 is similarly limited, and does not permit a court to set aside a jury verdict “simply because different inferences and conclusions could have been drawn or because some other results are more reasonable.” *J.C. Wyckoff & Assoc., v. Standard Fire Insurance Co.*, 936 F.2d 1474, 1487 (6th Cir. 1991). Under Fed. R. Civ. P. 59(a), “a new trial may be granted to all or any of the parties and on all or part of the issues ... in an action in which there has been a trial by jury, for any of the reasons for which new trials have heretofore been granted in actions at law in the courts of the United States....”

When reviewing a motion for a new trial, a court “should indulge all presumptions in

favor of the validity of the jury's verdict." *Brooks v. Toyotomi Co.*, 86 F.3d 582, 588 (6th Cir. 1996)(citing *Ragnar Benson, Inc. v. Kassab*, 325 F.2d 591, 594 (3rd Cir. 1963)). A jury verdict must be upheld so long as there is any competent and substantial evidence in the record to support it, even if contradictory evidence was presented. *Green v. Francis*, 705 F.2d 846, 849 (6th Cir. 1983).

Nevertheless, on a motion for new trial, as contrasted with a motion for judgment as a matter of law, the judge may set aside the verdict even though there exists substantial evidence to support it. *McDonald v. Petree*, 409 F.3d 724 (6th Cir. 2005). However, the district court "should refrain from interfering with a jury's verdict unless it is clear that the jury reached a seriously erroneous result." *Brooks*, 86 F.3d at 588. The Sixth Circuit has explained that a "seriously erroneous result" would be evidenced by: (1) the verdict being against the weight of the evidence; (2) the damages being excessive; or (3) the trial being unfair to the moving party in some fashion *i.e.*, the proceedings having been influenced by prejudice or bias. *Holmes v. City of Massillon*, 78 F.3d 1041 (6th Cir. 1996).

Moreover, procedural errors, such as a mistake regarding the admission or exclusion of evidence or an error made in instructing the jury, cannot be the basis for ordering a new trial unless the error affects a substantial right of a party. See Fed. R. Civ. P. 61. Thus, a motion for a new trial will not be granted unless the moving party suffered prejudice. *Tompkin v. Philip Morris USA, Inc.*, 362 F.3d 882, 891 (6th Cir.2004)(citing *Erskine v. Consol. Rail Corp.*, 814 F.2d 266, 272 (6th Cir.1987)) (holding that a new trial will not be granted on the ground that surprise evidence was admitted unless the moving party was prejudiced). Even if a mistake has been made regarding the admission or exclusion of evidence, a new trial will not be granted

unless the evidence would have caused a different outcome at trial. *Morales v. American Honda Motor Co., Inc.*, 151 F.3d 500, 514 (6th Cir.1998).

DISCUSSION

The basis of Plaintiff's motion is that the twelve member jury erred in answering all ten interrogatories because based on the evidence offered at trial, reasonable minds could only conclude that each one of those interrogatories should have been answered in Plaintiff's favor. Plaintiff notes various testimony or documents which "dispositively" establish that its ALL METAL mark has secondary meaning and that there was likelihood of confusion. While, the evidence referred to by Plaintiff could certainly provide an inference of secondary meaning and/or likelihood of confusion, it was by no means dispositive in a legal sense. Further, Defendant introduced witnesses and documents which supported Defendant's position on those questions. After carefully reviewing the record, filings and briefs, the Court concludes that the evidence would permit reasonable minds to differ on the issues decided. The Court must not and will not weigh the evidence or make credibility determinations. The jury did that and its decisions were reasonably supported by the evidence. Accordingly, a motion for judgment as a matter of law must be denied.

Similarly, with respect to Plaintiff's half hearted alternative request for a new trial, this Court will "indulge all presumptions in favor of the validity of the jury's verdict." *Brooks*, 86 F.3d 582, 588 (citation omitted) and uphold the jury's verdict so long as there is any competent and substantial evidence in the record to support it, even if contradictory evidence was presented. See *Green*, 705 F.2d 846, 849. Based upon review of the trial transcript, evidence and filings, the Court does not find that the answers to interrogatories were "seriously erroneous." That is the

answers were not against the weight of the evidence and there was no showing that trial was unfair to the Plaintiff or that the answers were influenced by prejudice or bias. *Holmes*, 78 F.3d 1041. As such, Plaintiff's motion for a new trial is denied.

CONCLUSION

For the reasons set forth above, Plaintiff's Renewed Motion for Judgment as a Matter of Law or, for a New Trial (ECF #71) is denied.

IT IS SO ORDERED.
